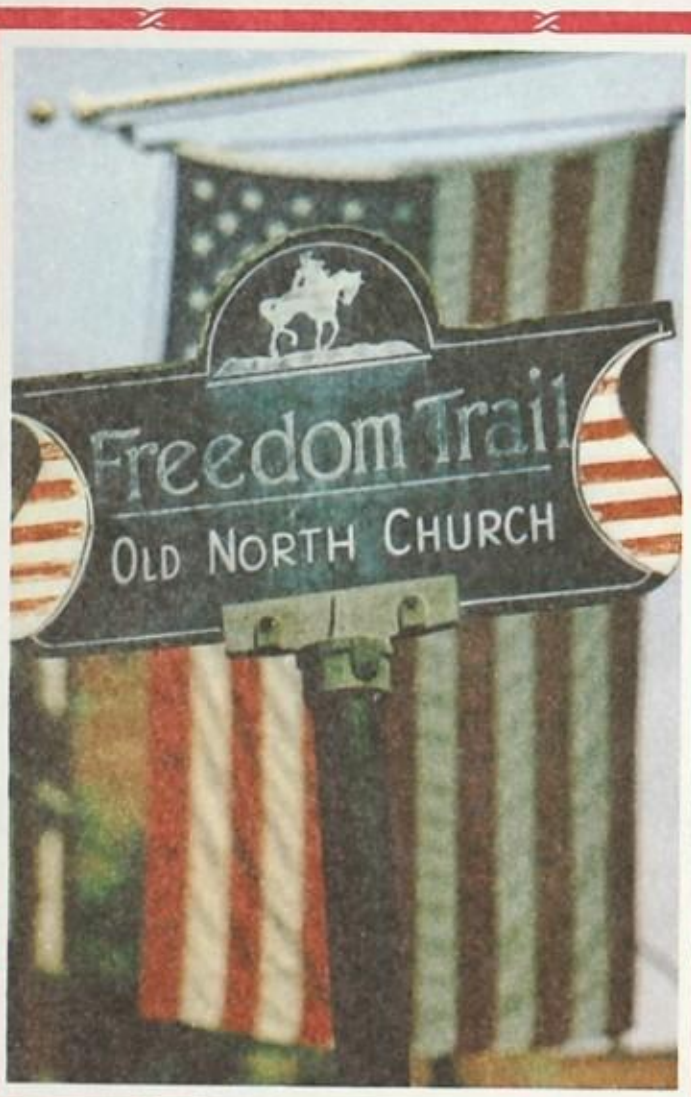
SPIRIT OF

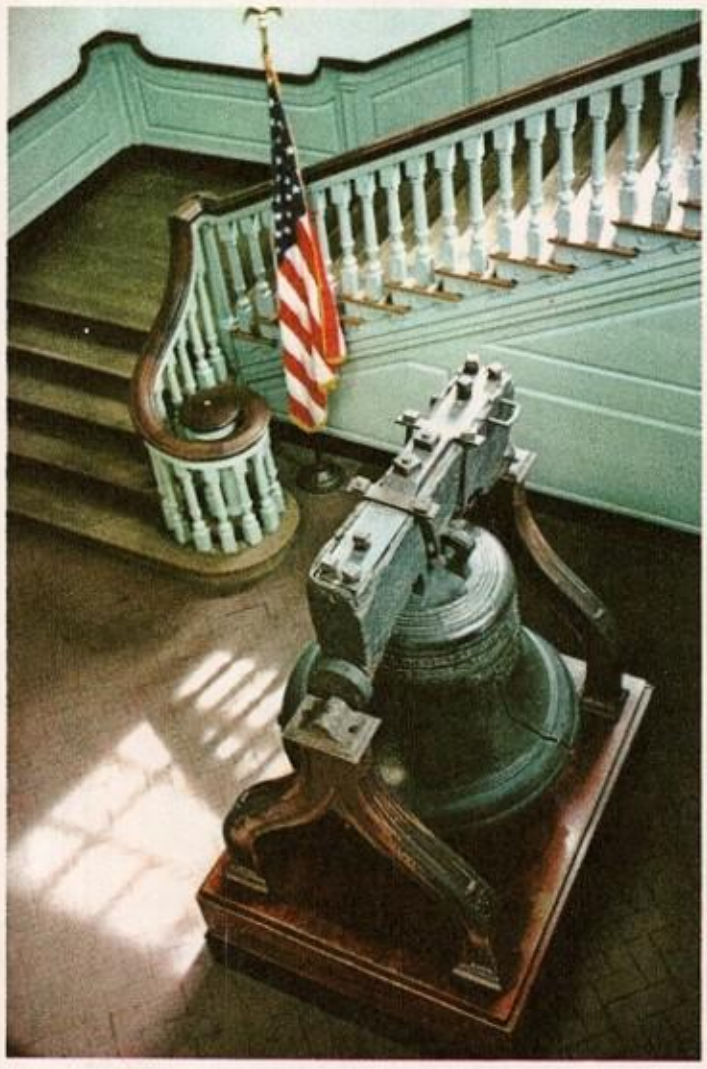
PANTHER

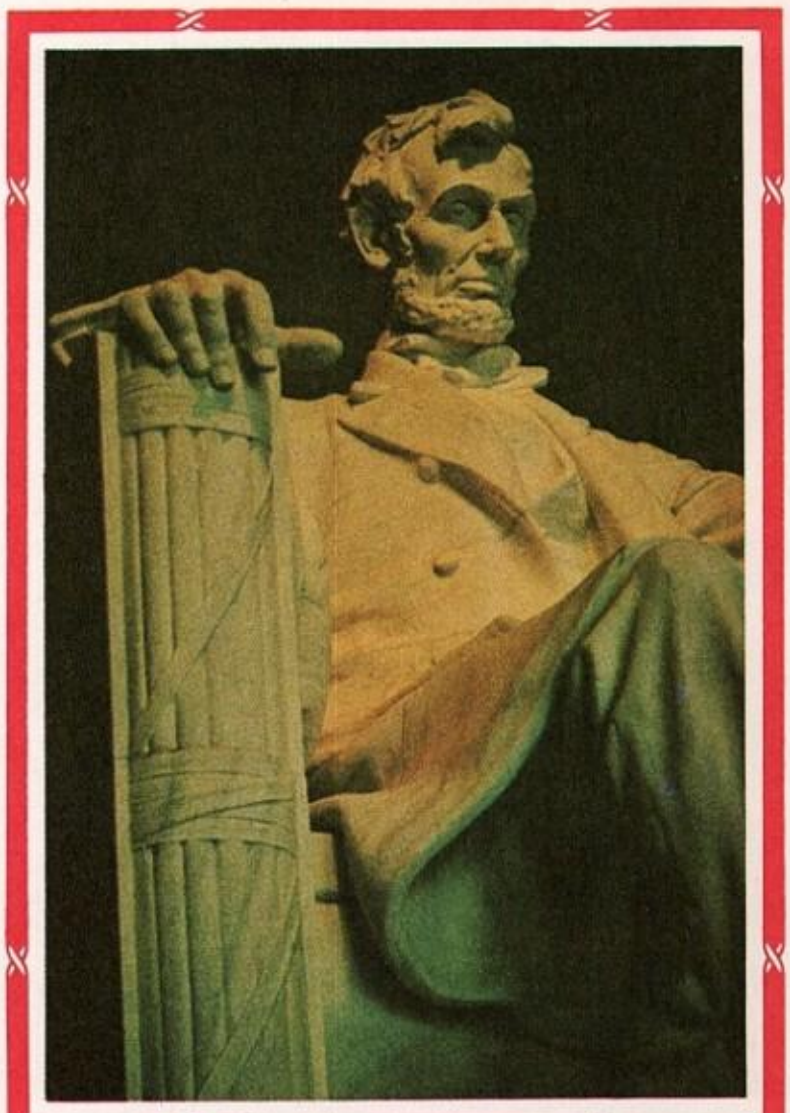
LIBERTY
FOREVER!



Freedom Trail
OLD NORTH CHURCH

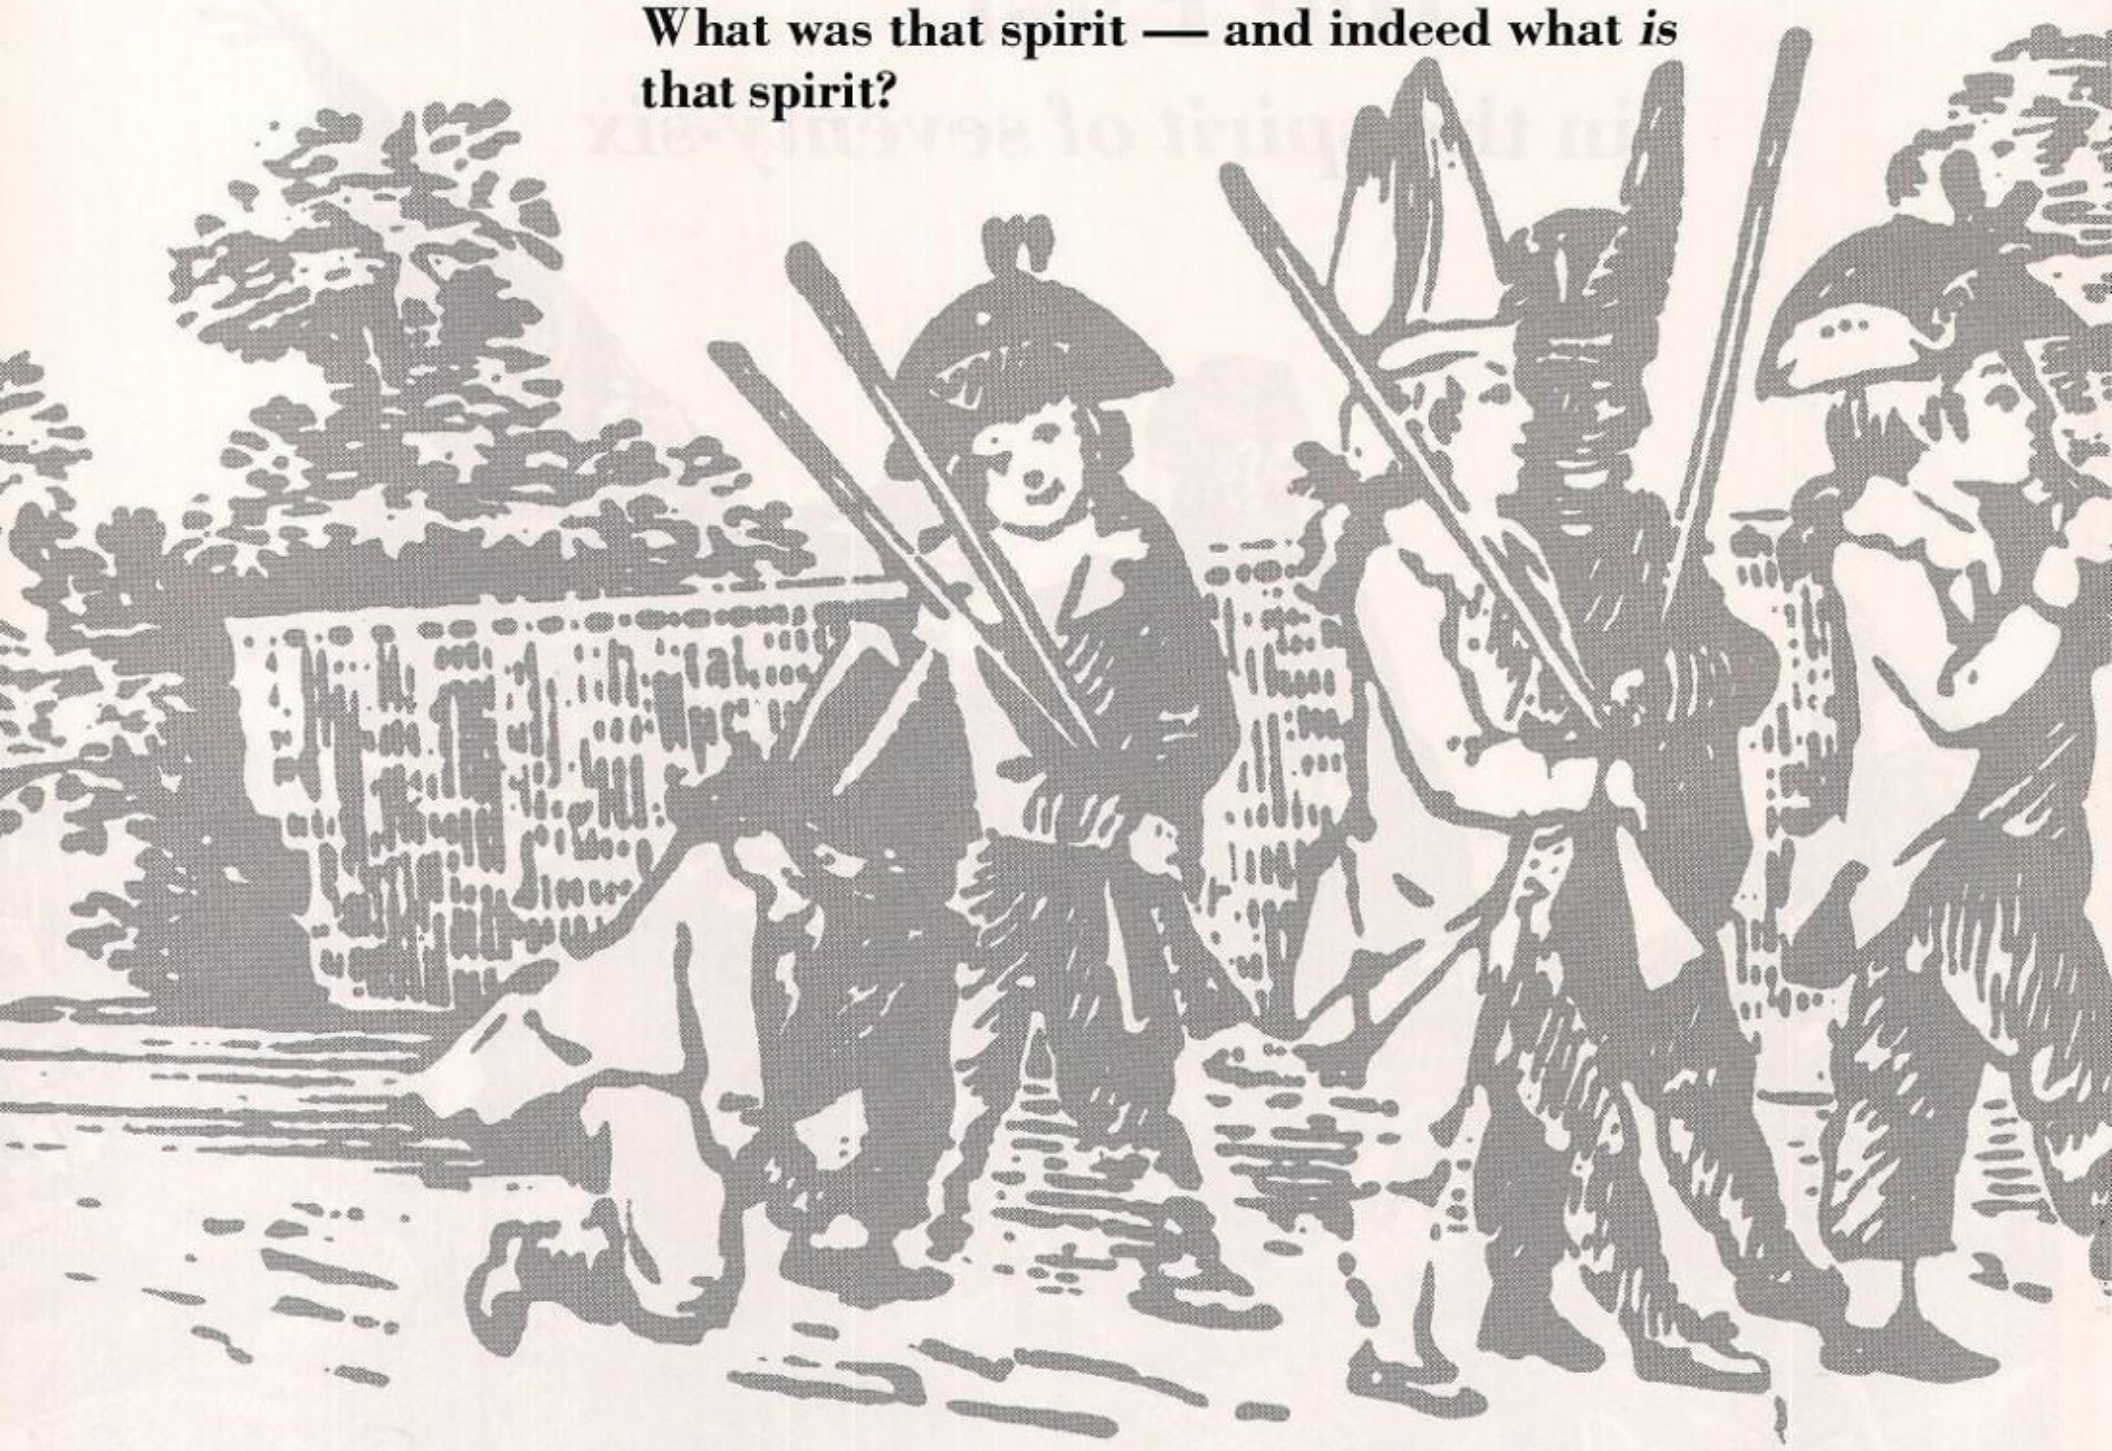
1976



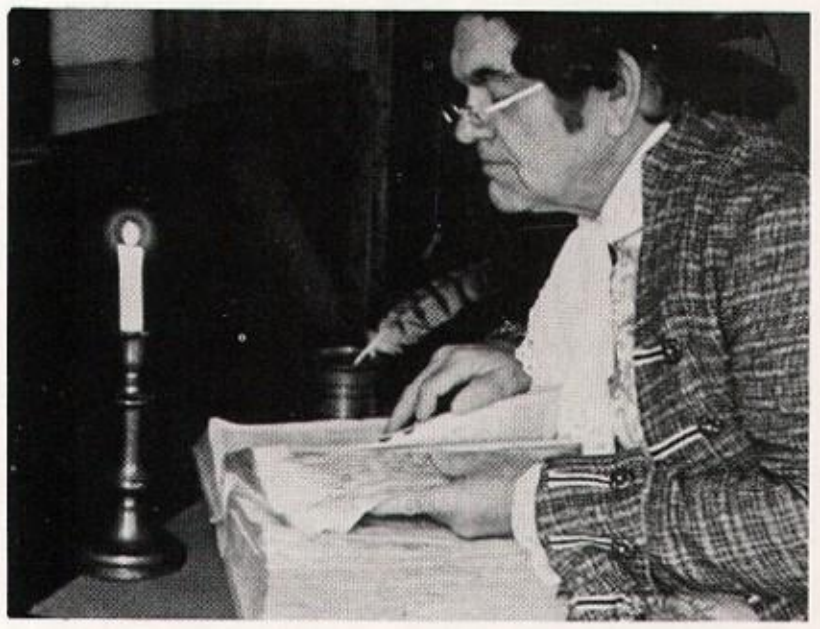


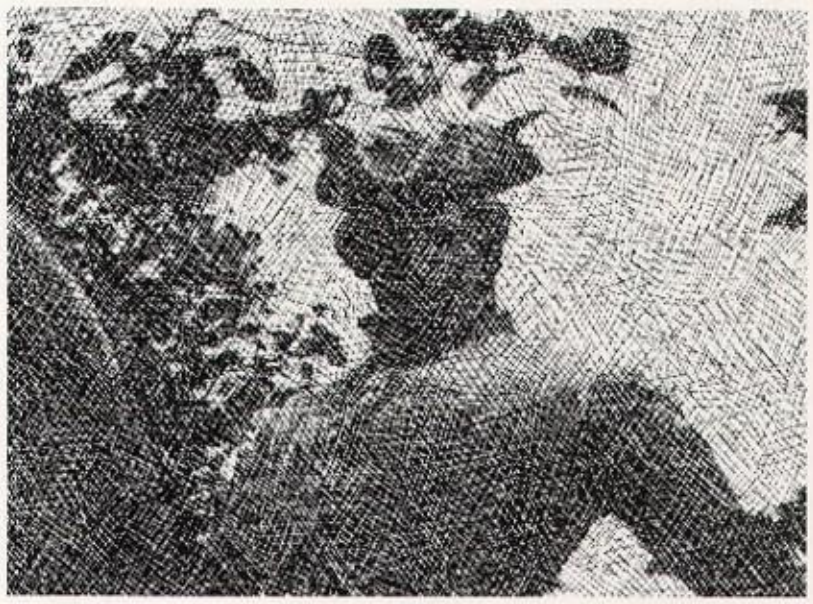
There was an enormous force which strengthened the colonies, which exists today, and which has carried America through its great history. That force is known to us all to be the *"Spirit of '76."*

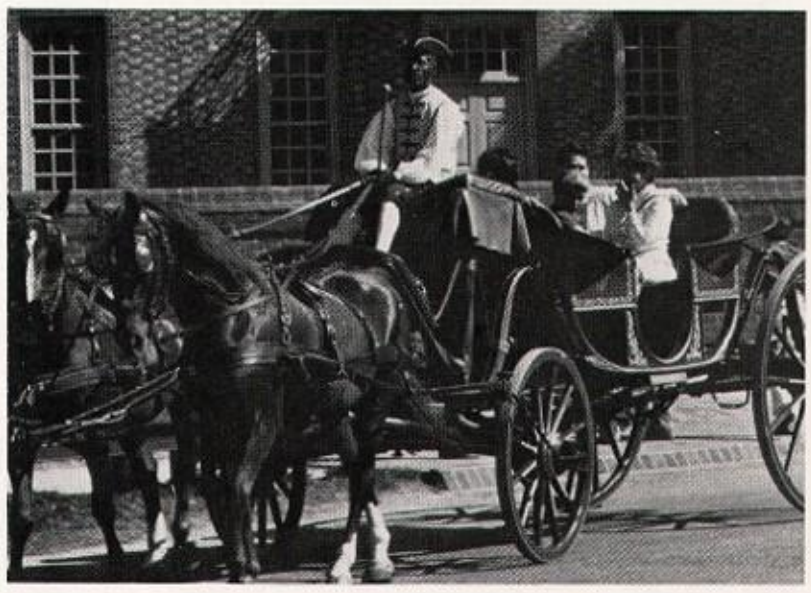
What was that spirit — and indeed what *is* that spirit?

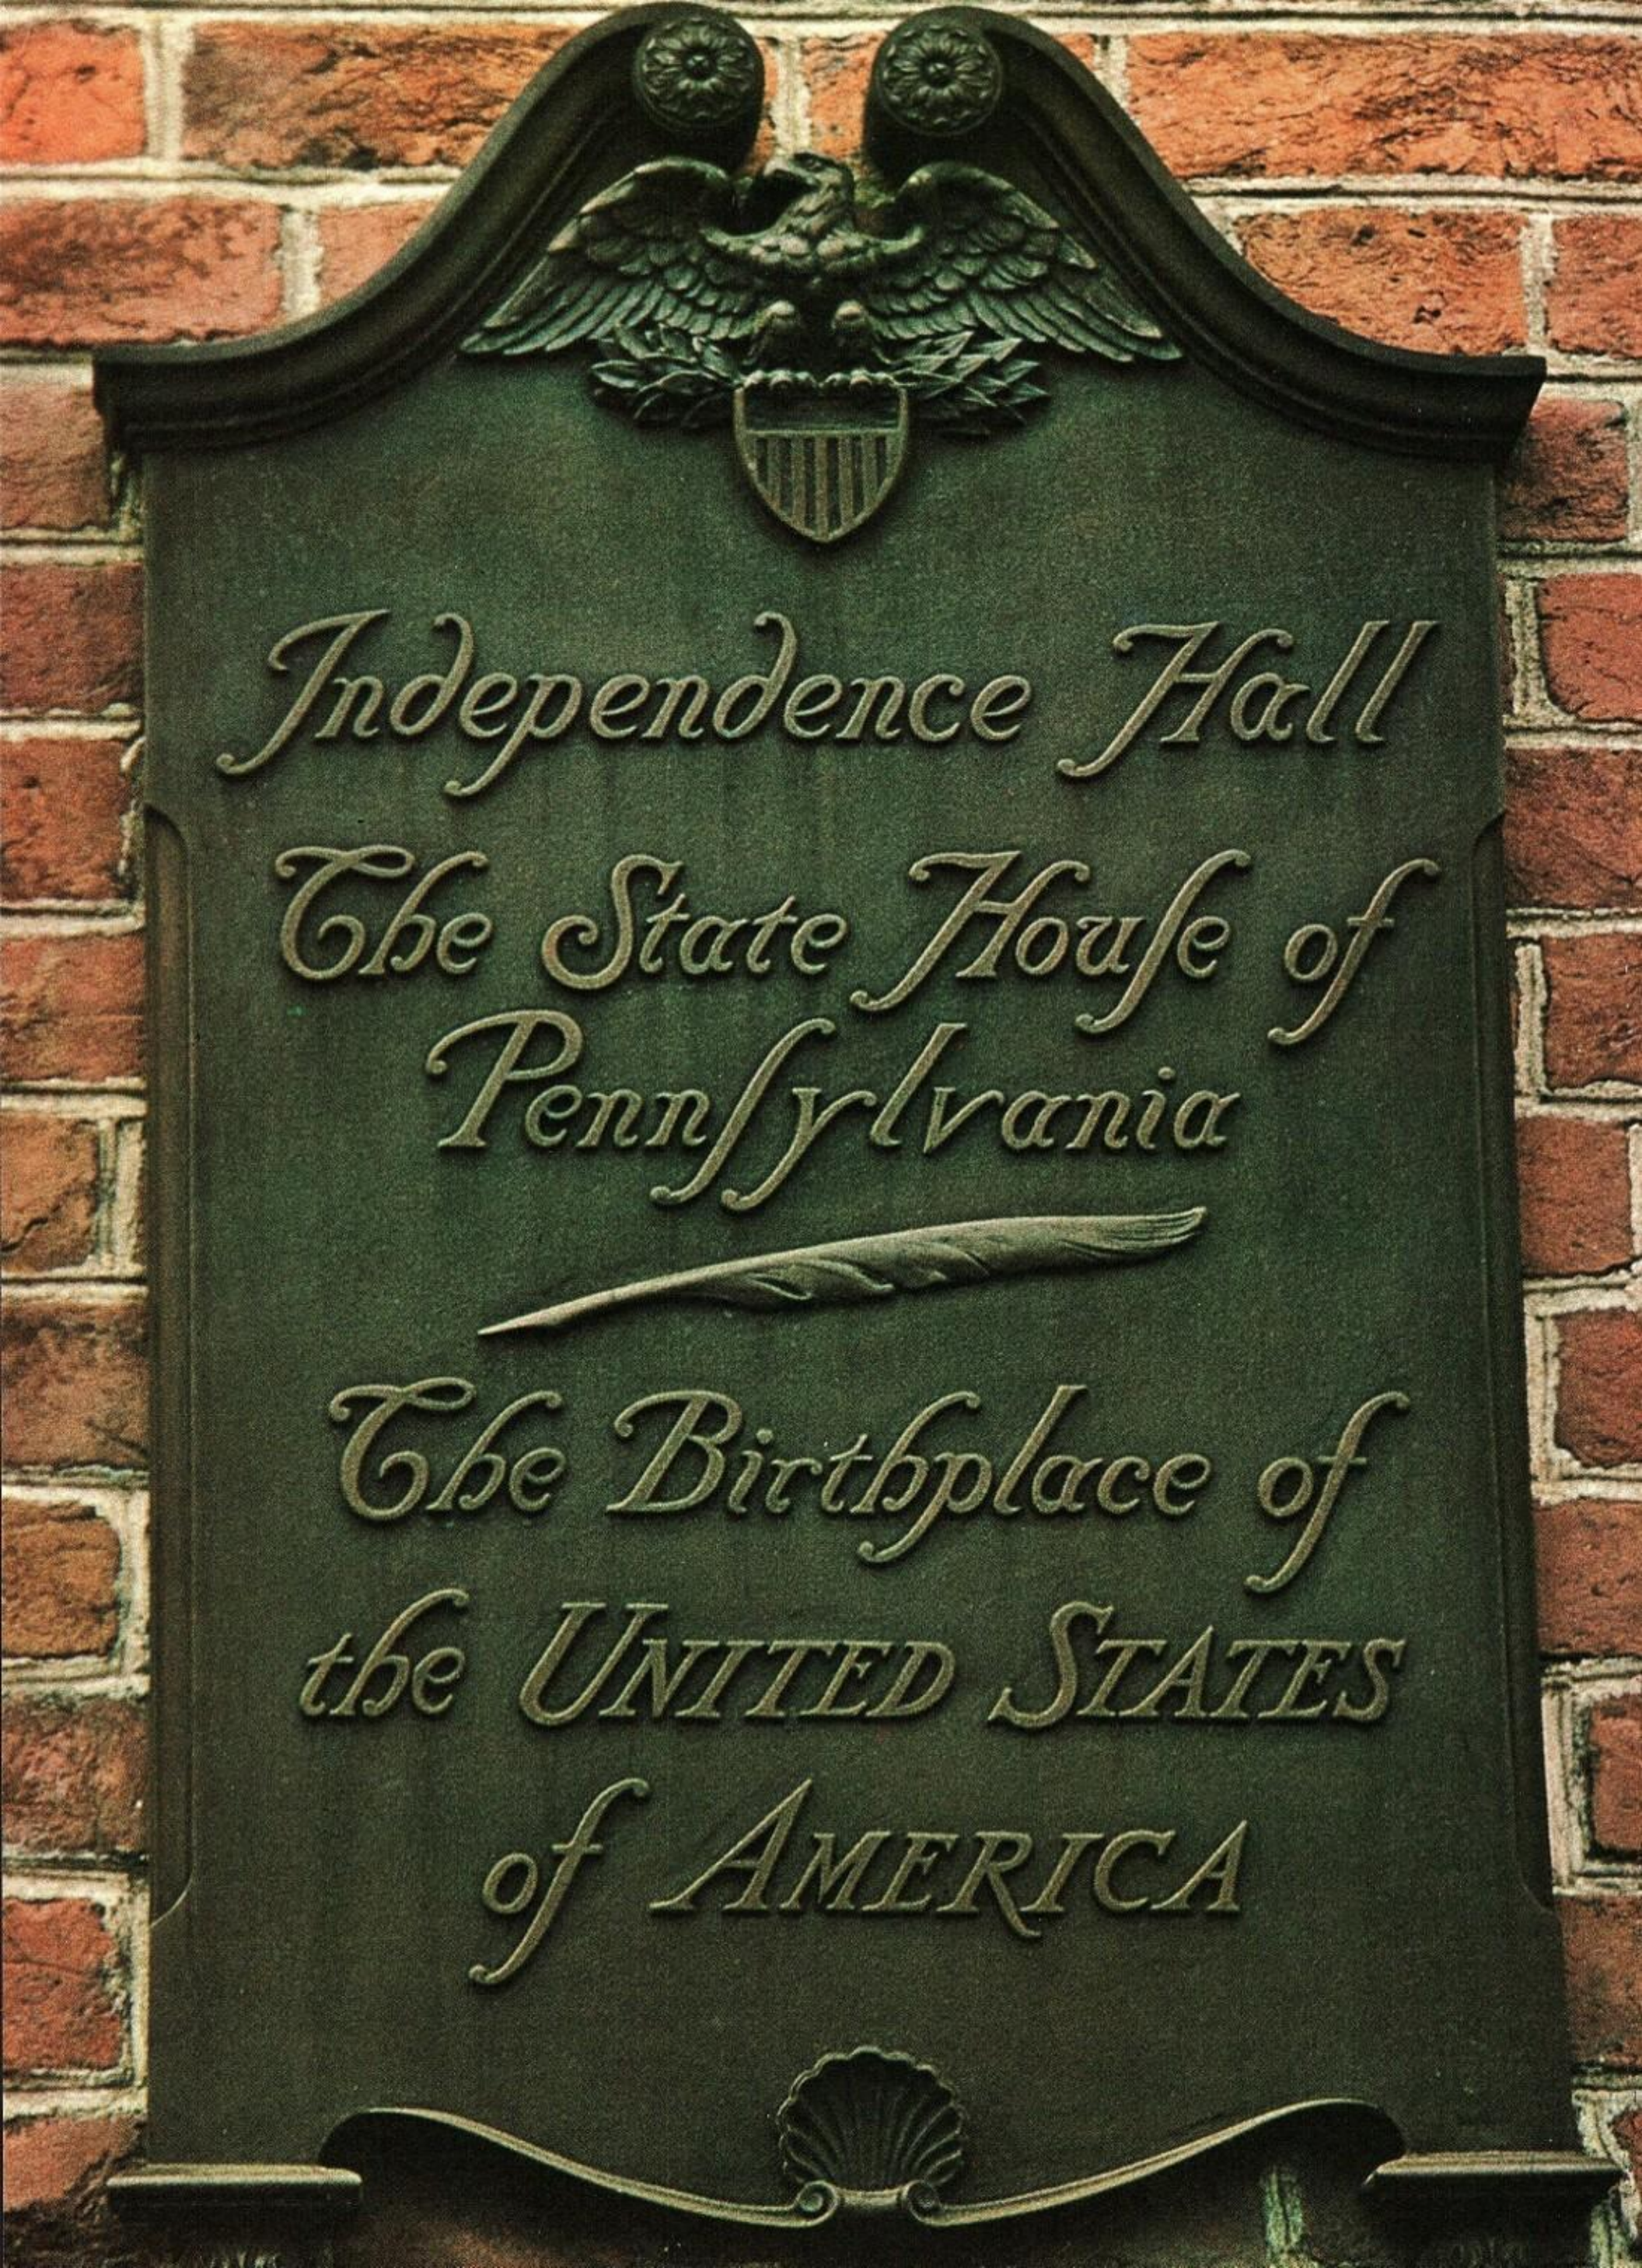


It is a *SPIRIT OF LIBERTY* and the knowledge that one man's freedom is more important than anything else on earth.

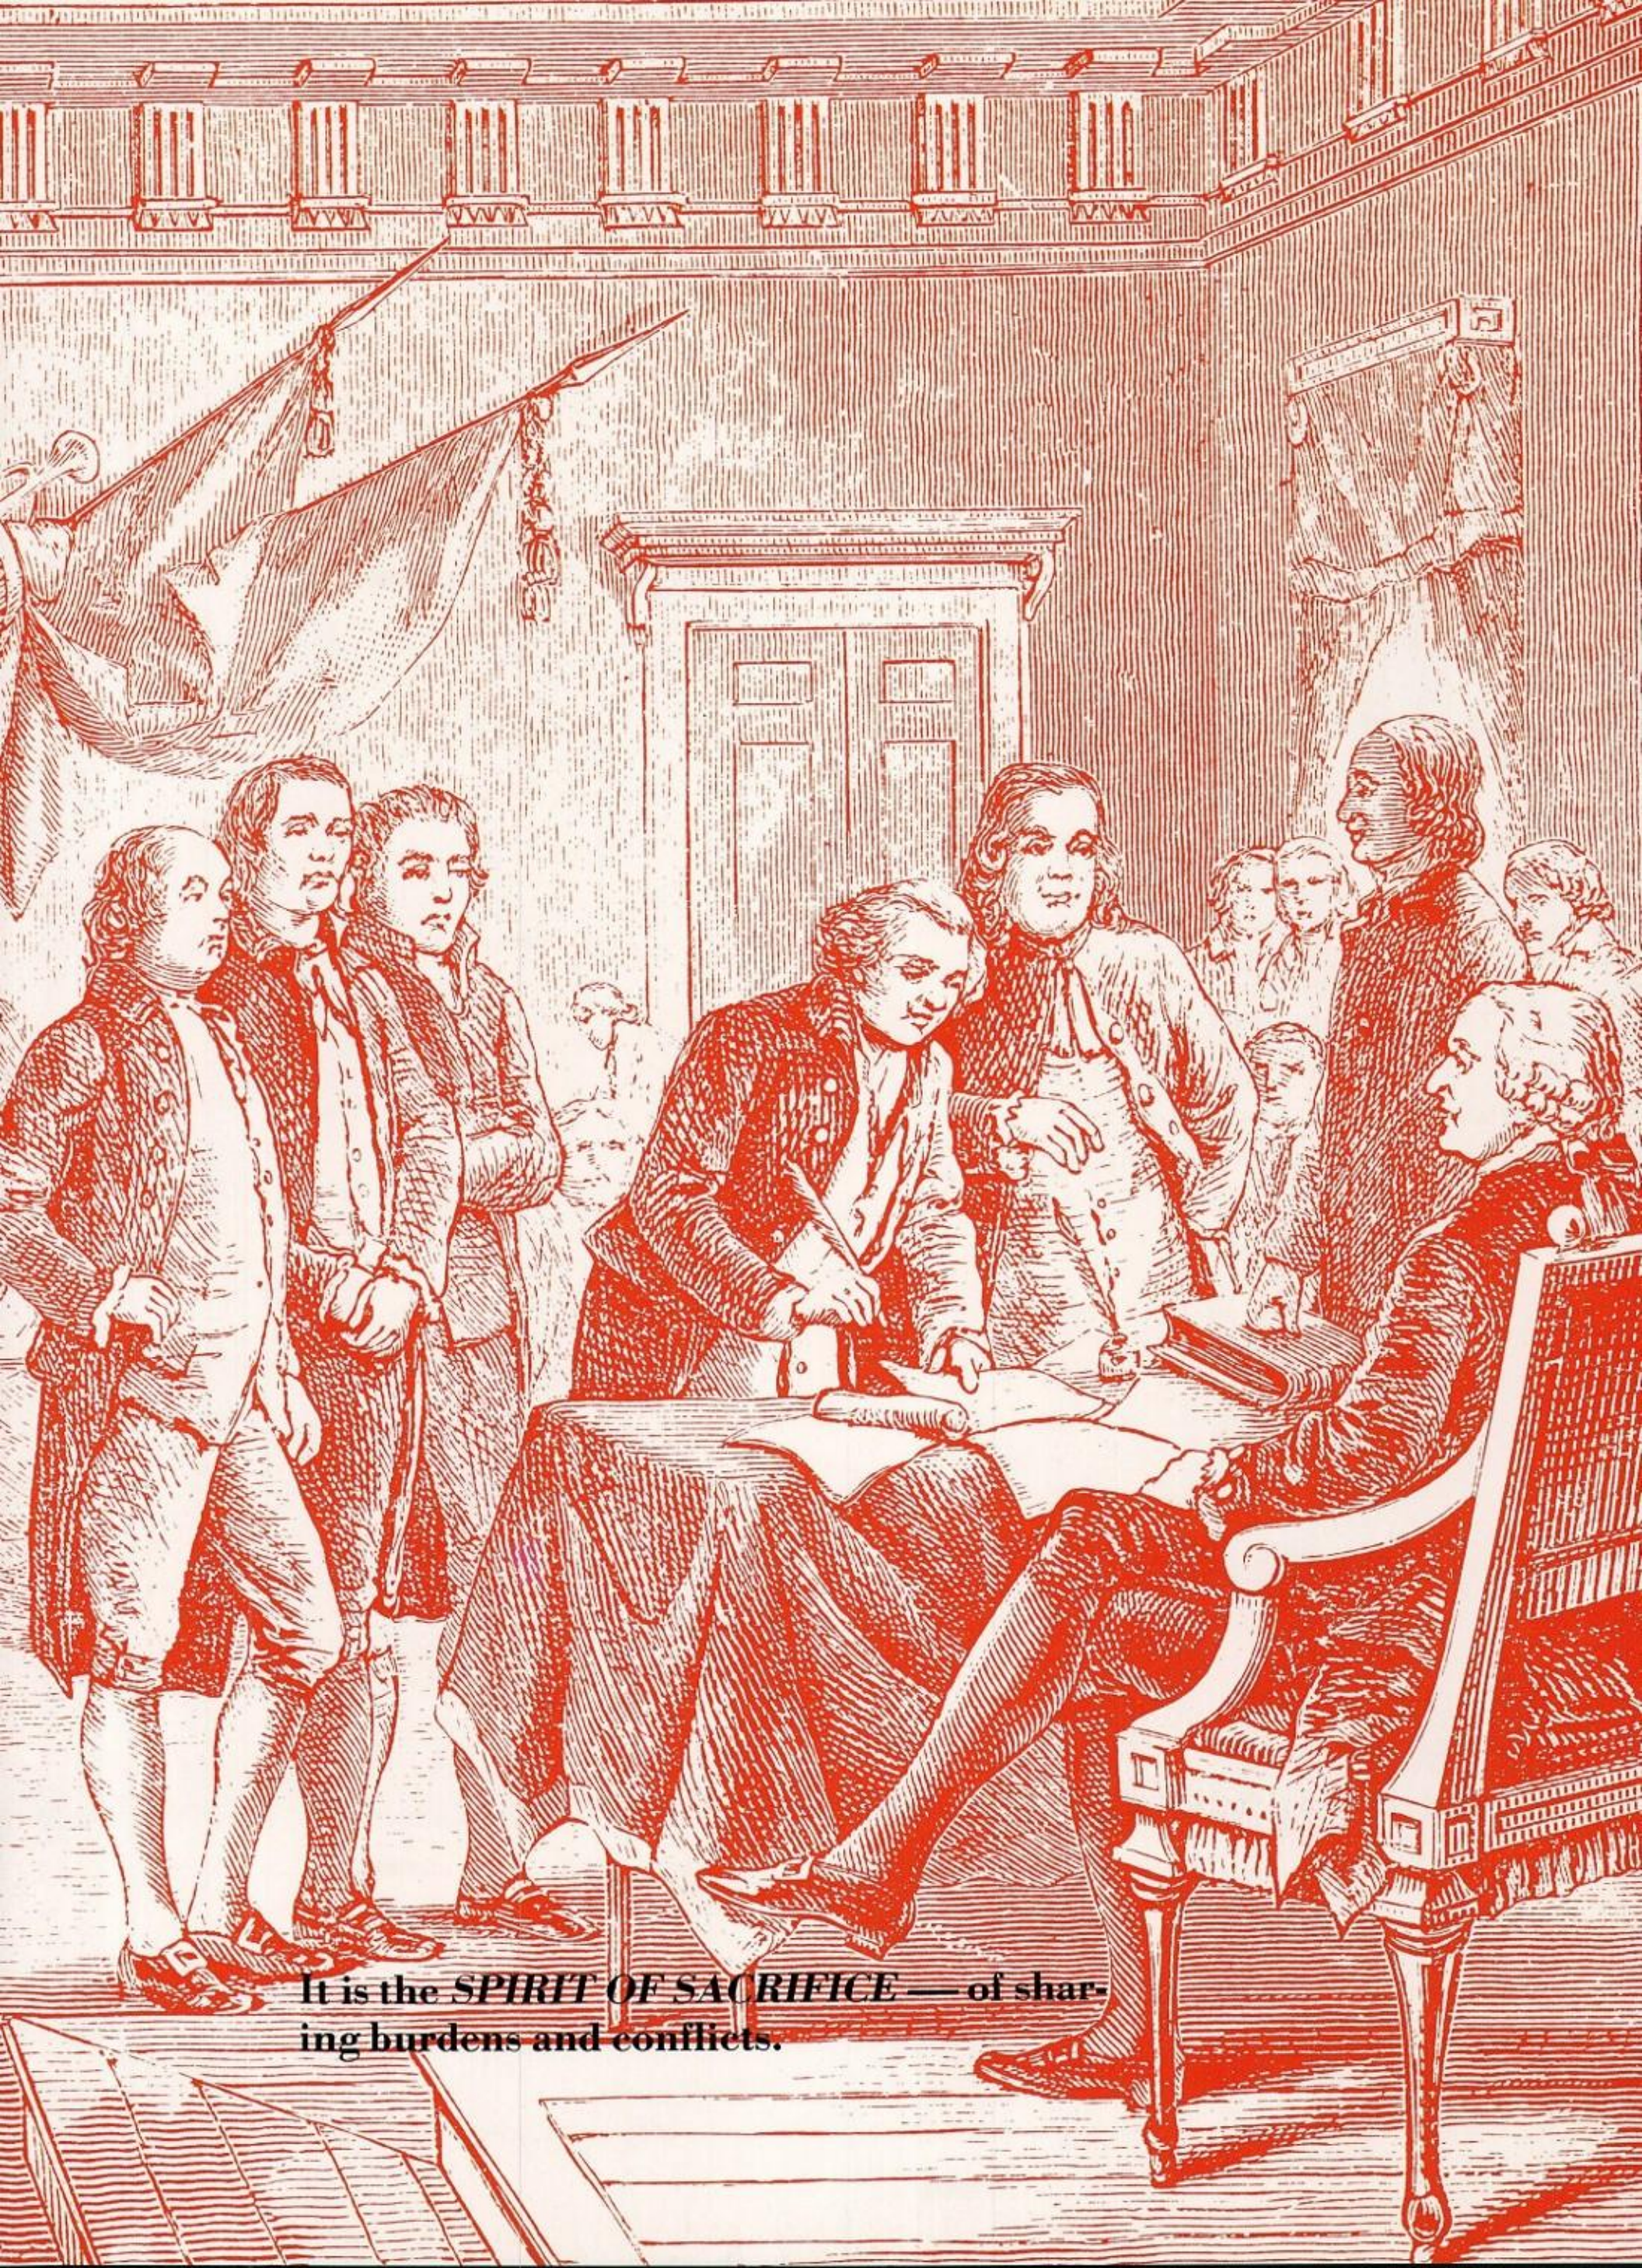




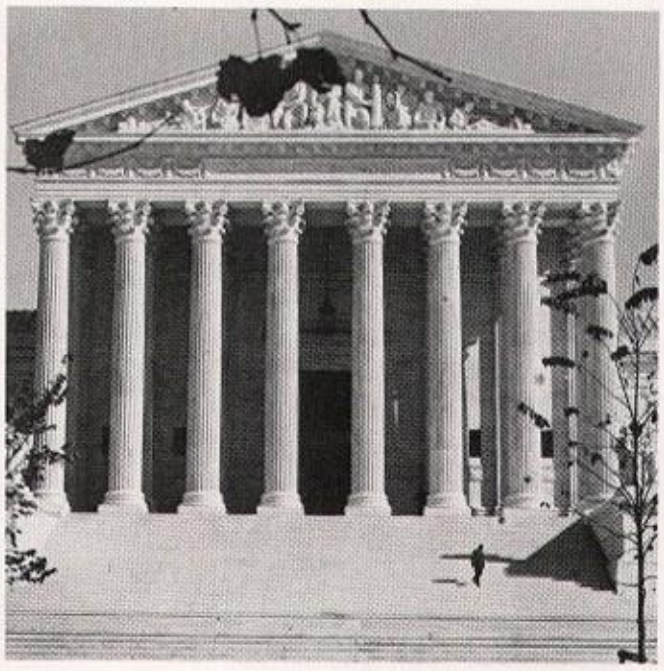




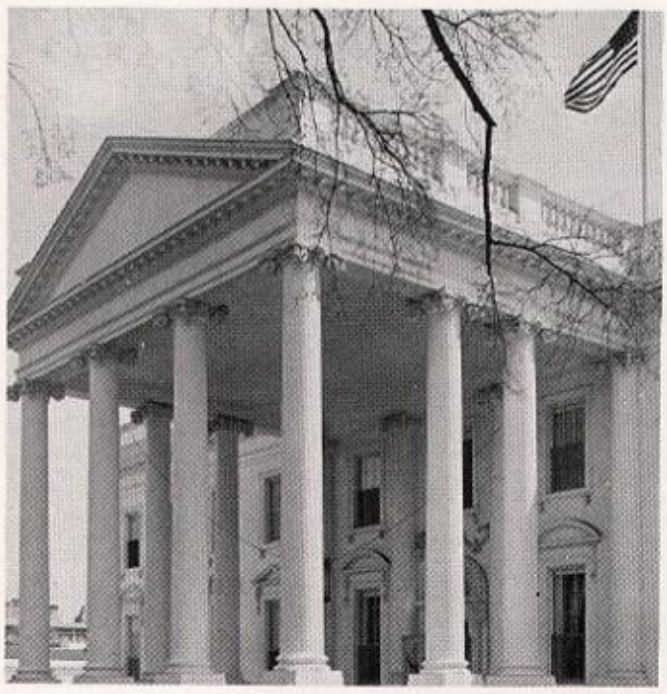
Independence Hall
The State House of
Pennsylvania
The Birthplace of
the United States
of America

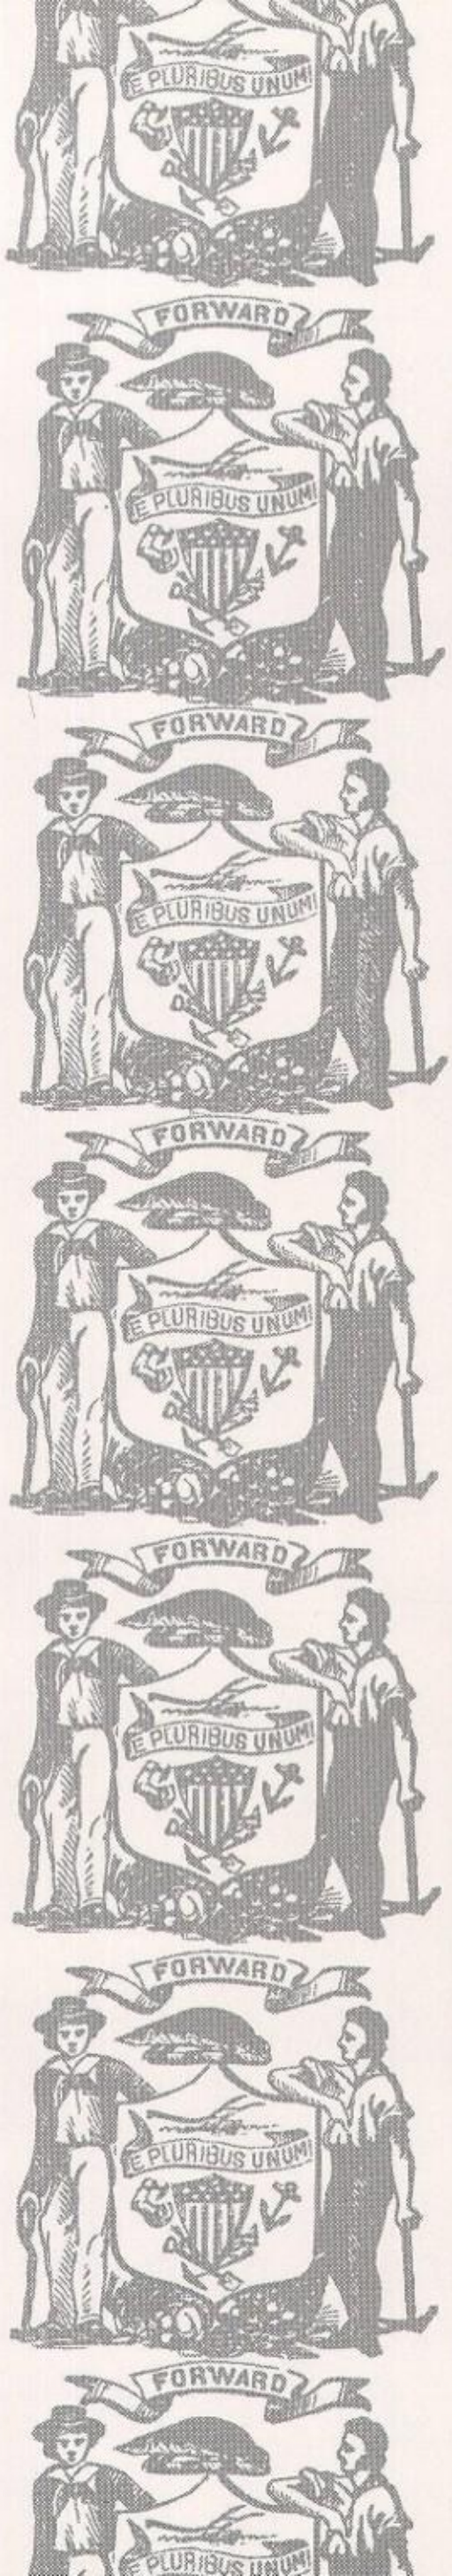


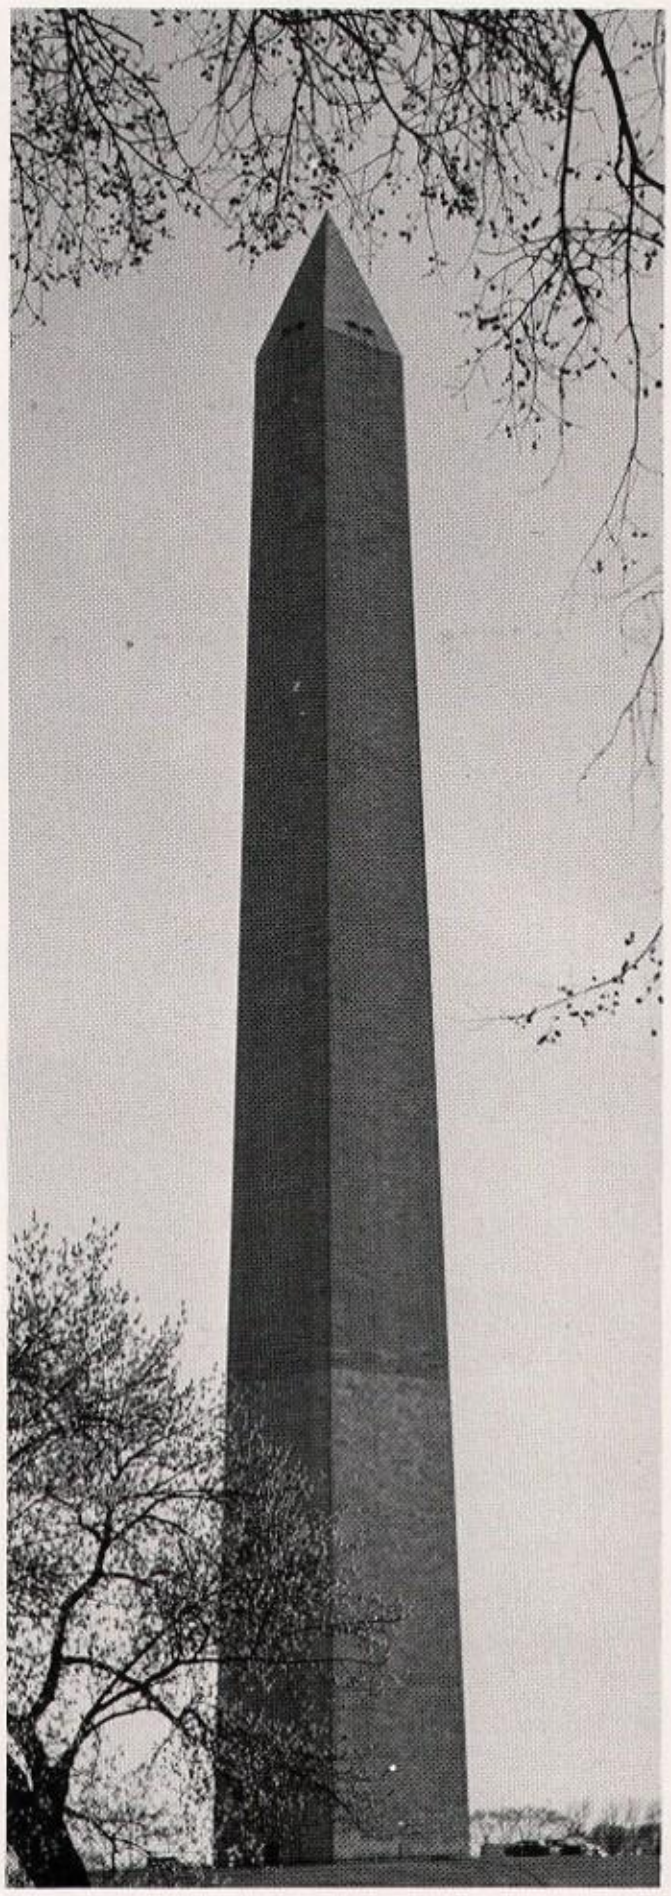
It is the *SPIRIT OF SACRIFICE* — of sharing burdens and conflicts.

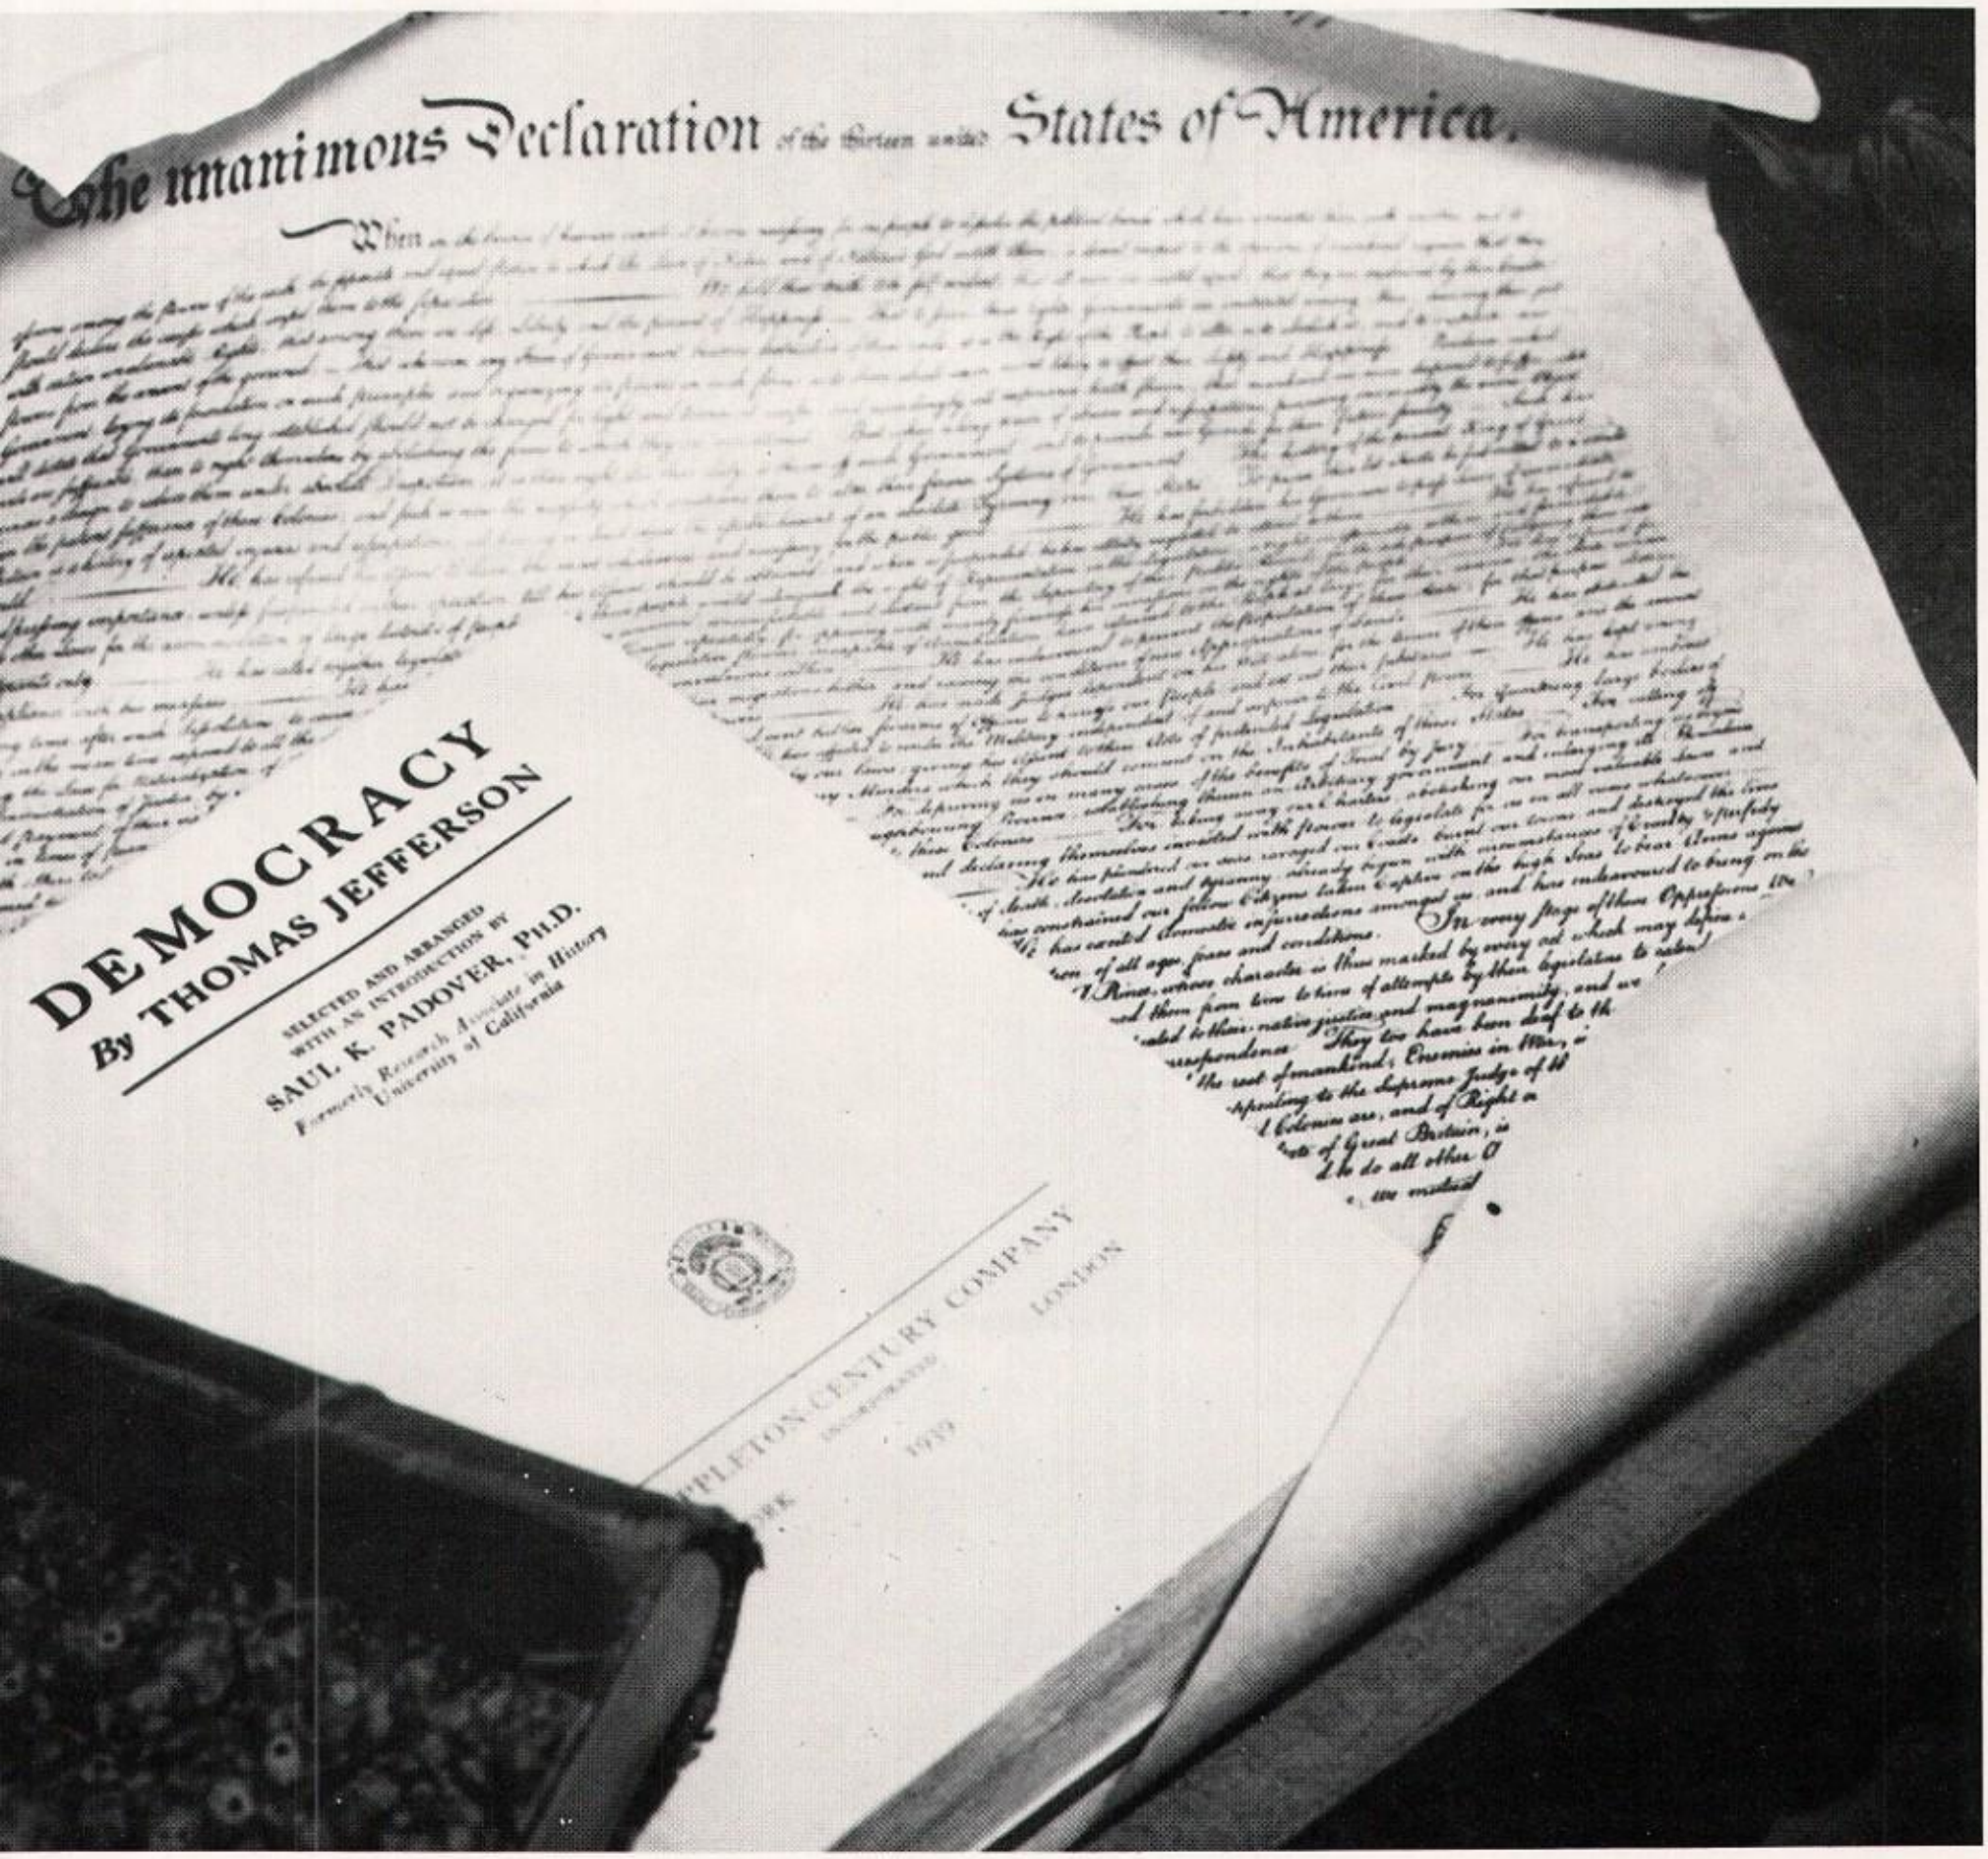


It is the *SPIRIT OF OPTIMISM* of knowing that we can always make things better — of working only for the best, and expecting only the best.



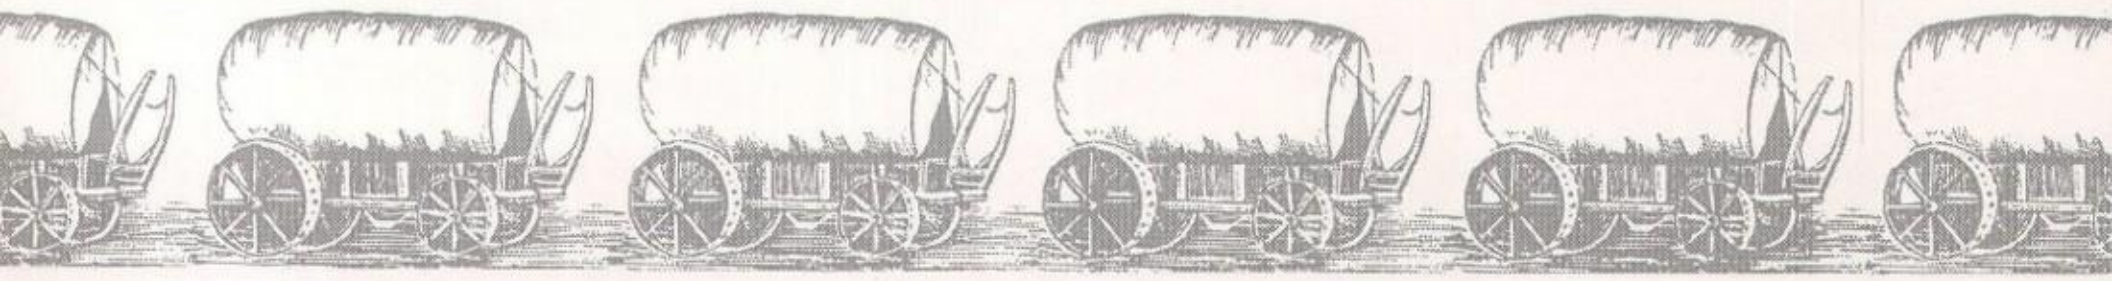


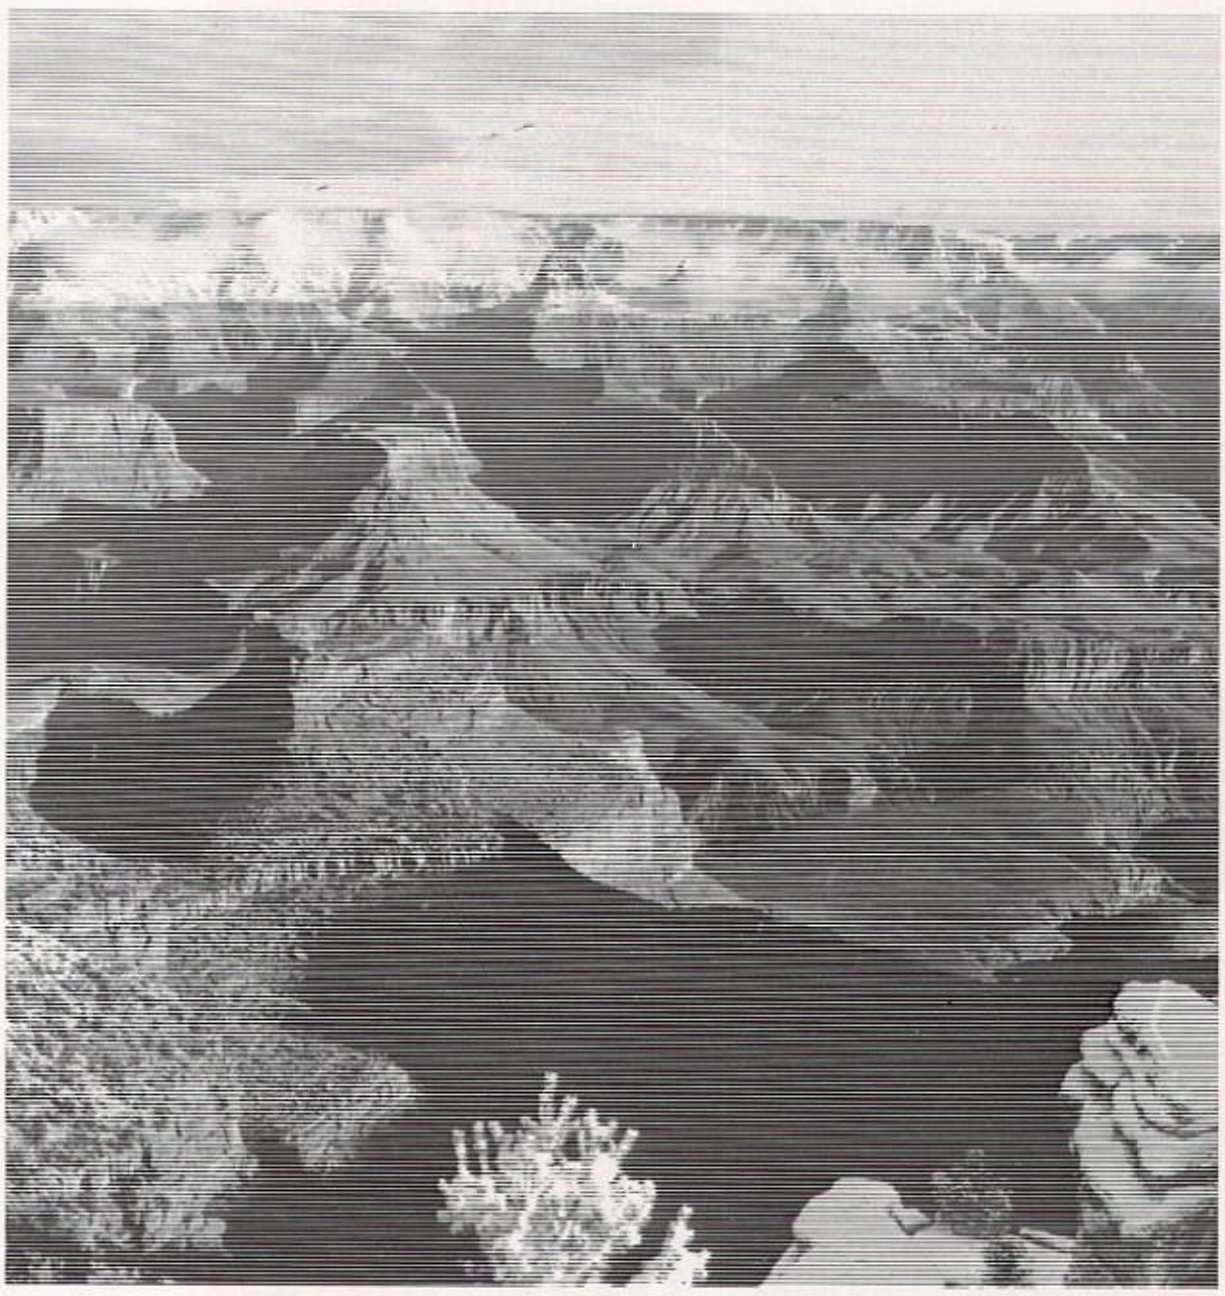


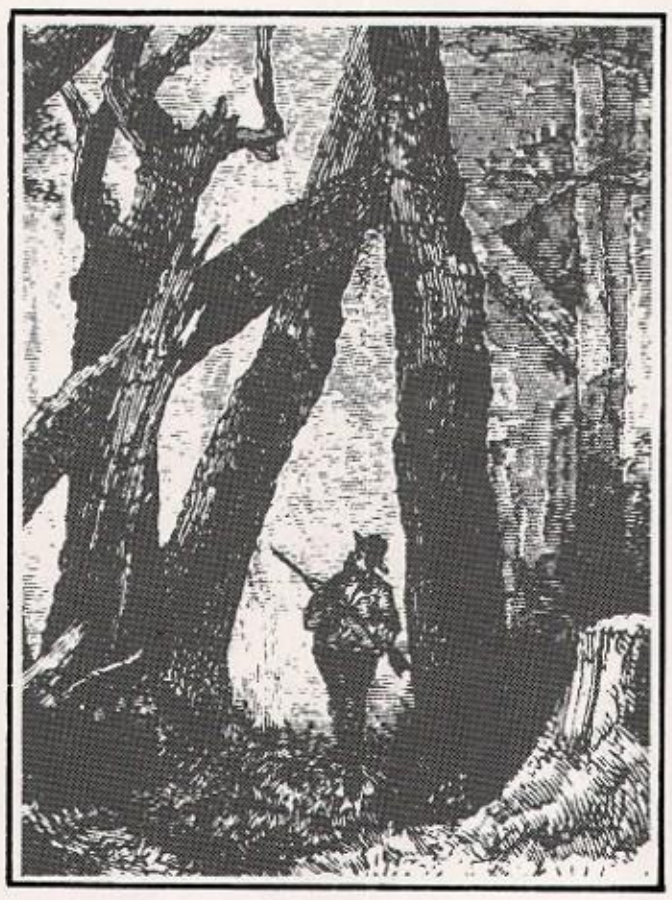


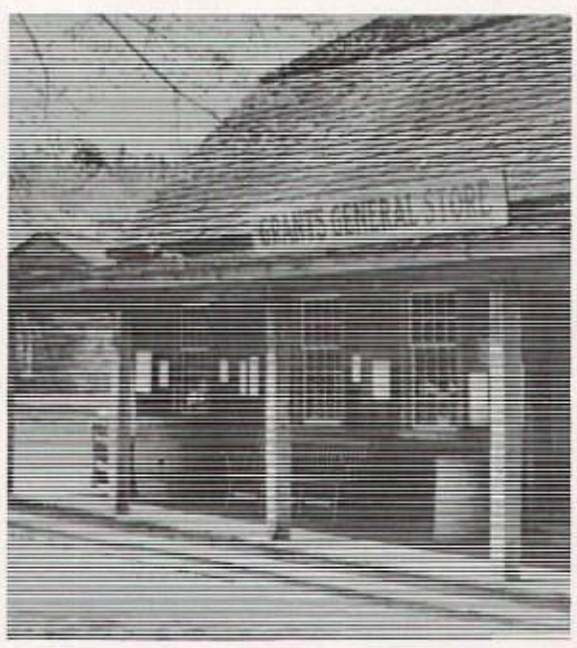
The unanimous Declaration of the thirteen united States of America.
When
DEMOCRACY
By THOMAS JEFFERSON
SELECTED AND ARRANGED
WITH AN INTRODUCTION BY
SAUL K. PADOVER, PH.D.
Formerly Research Associate in History
University of California
APPLETON-CENTURY COMPANY
LONDON
1939

It is the *SPIRIT OF CONFIDENCE* — of not being constrained by earthly boundaries and of the certain knowledge that man can master his fate.

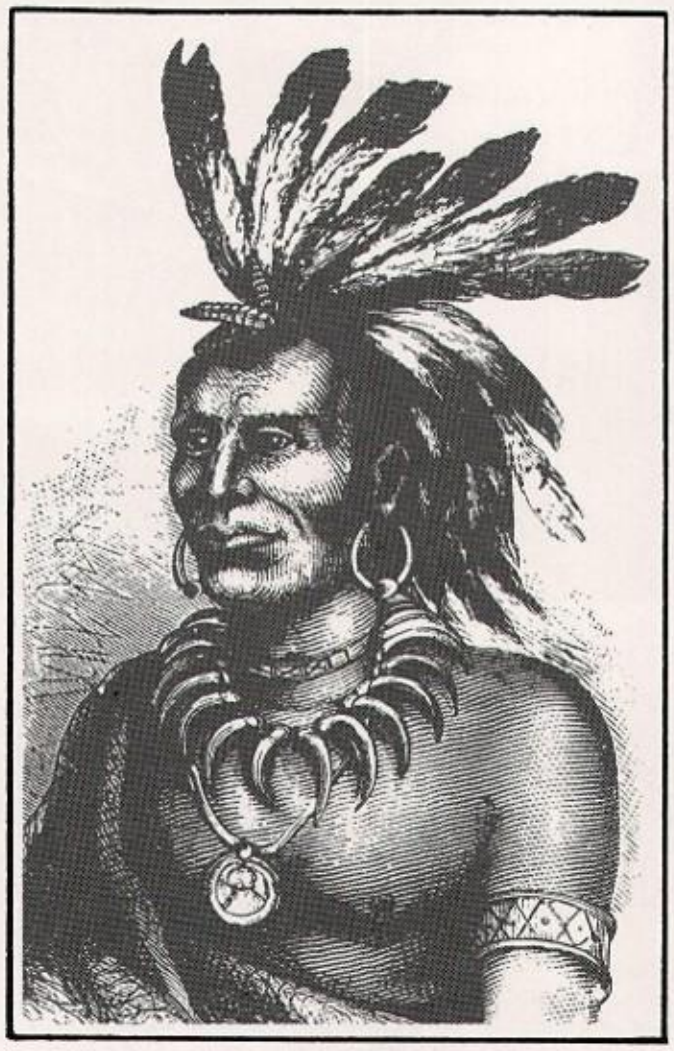


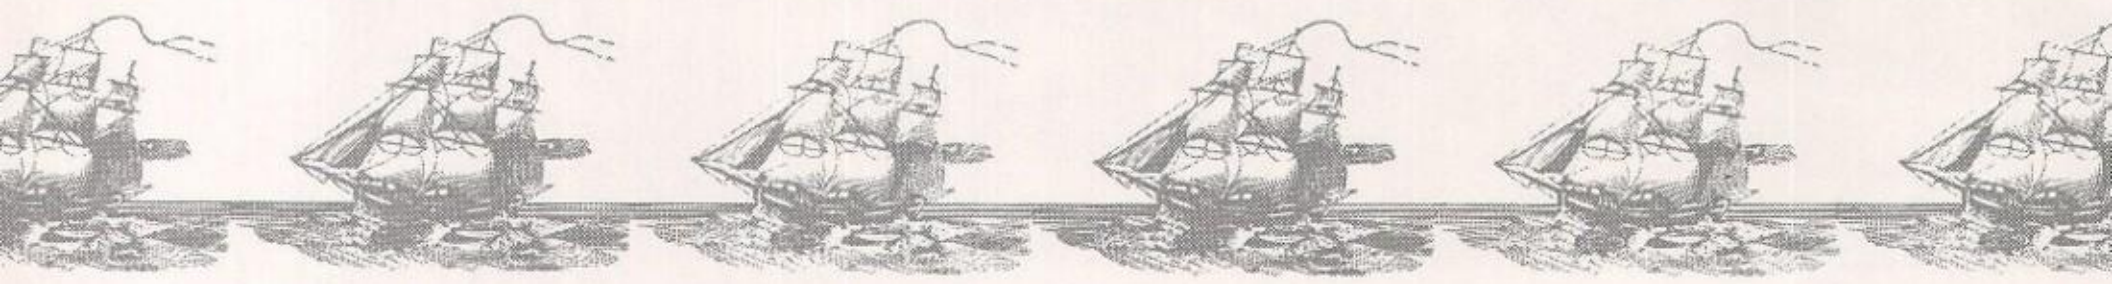


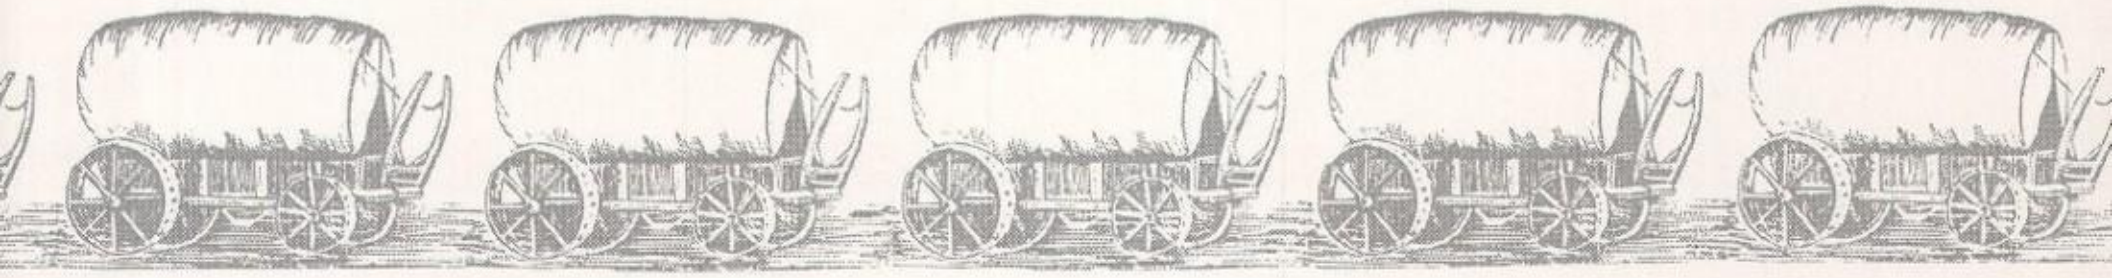


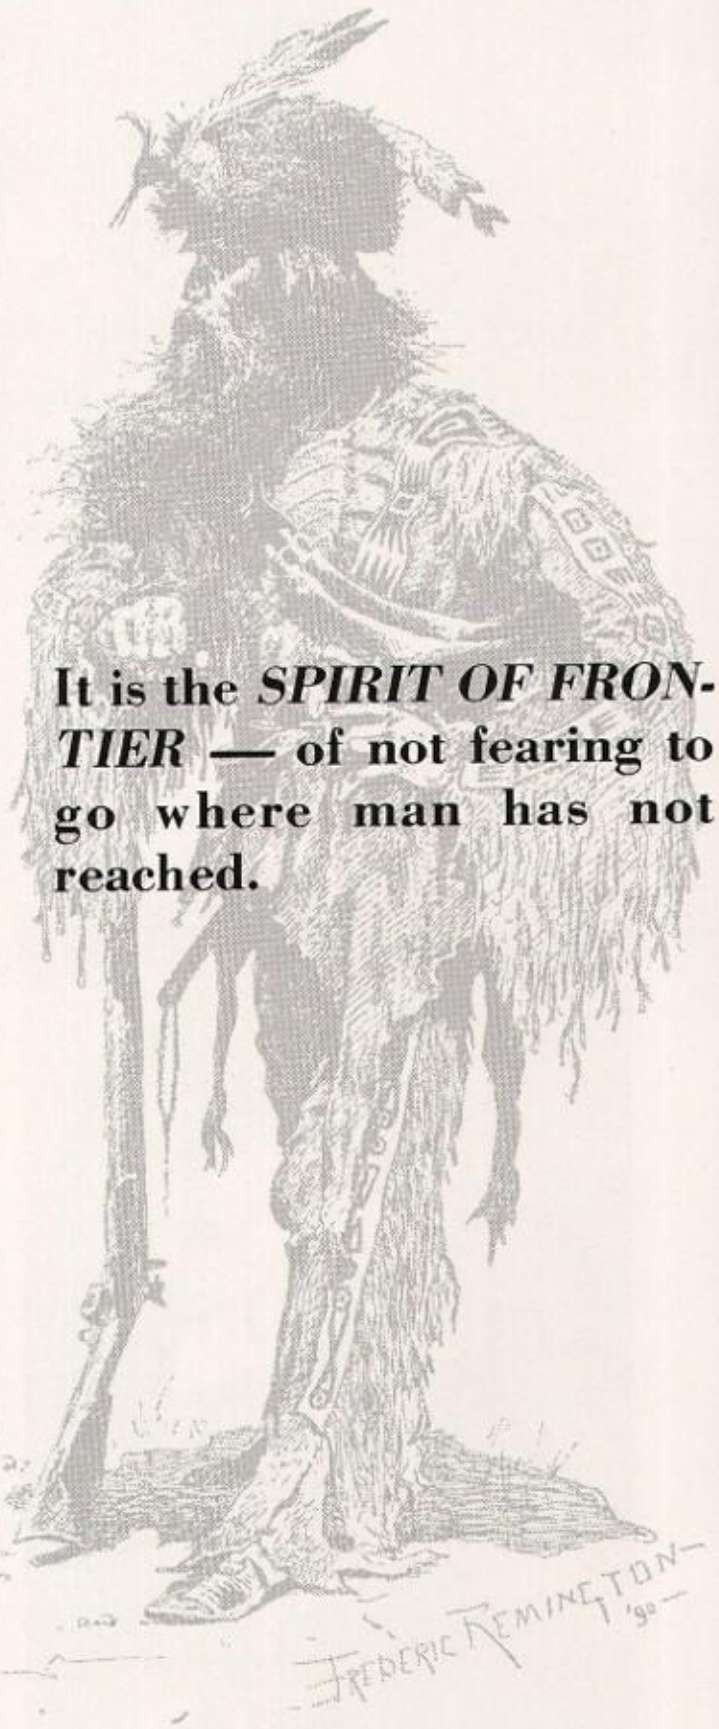


GRANTS GENERAL STORE

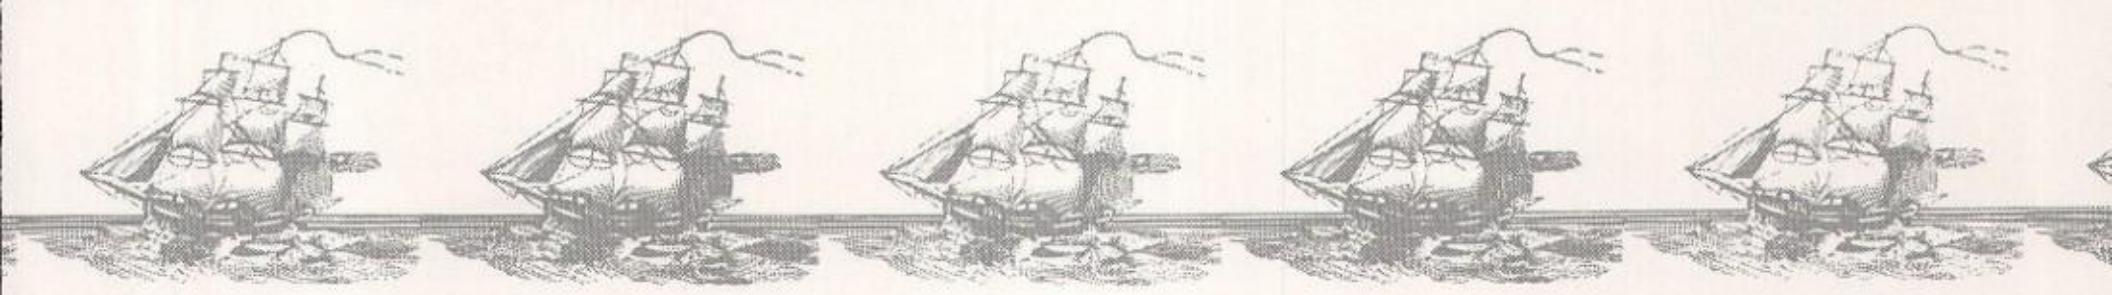


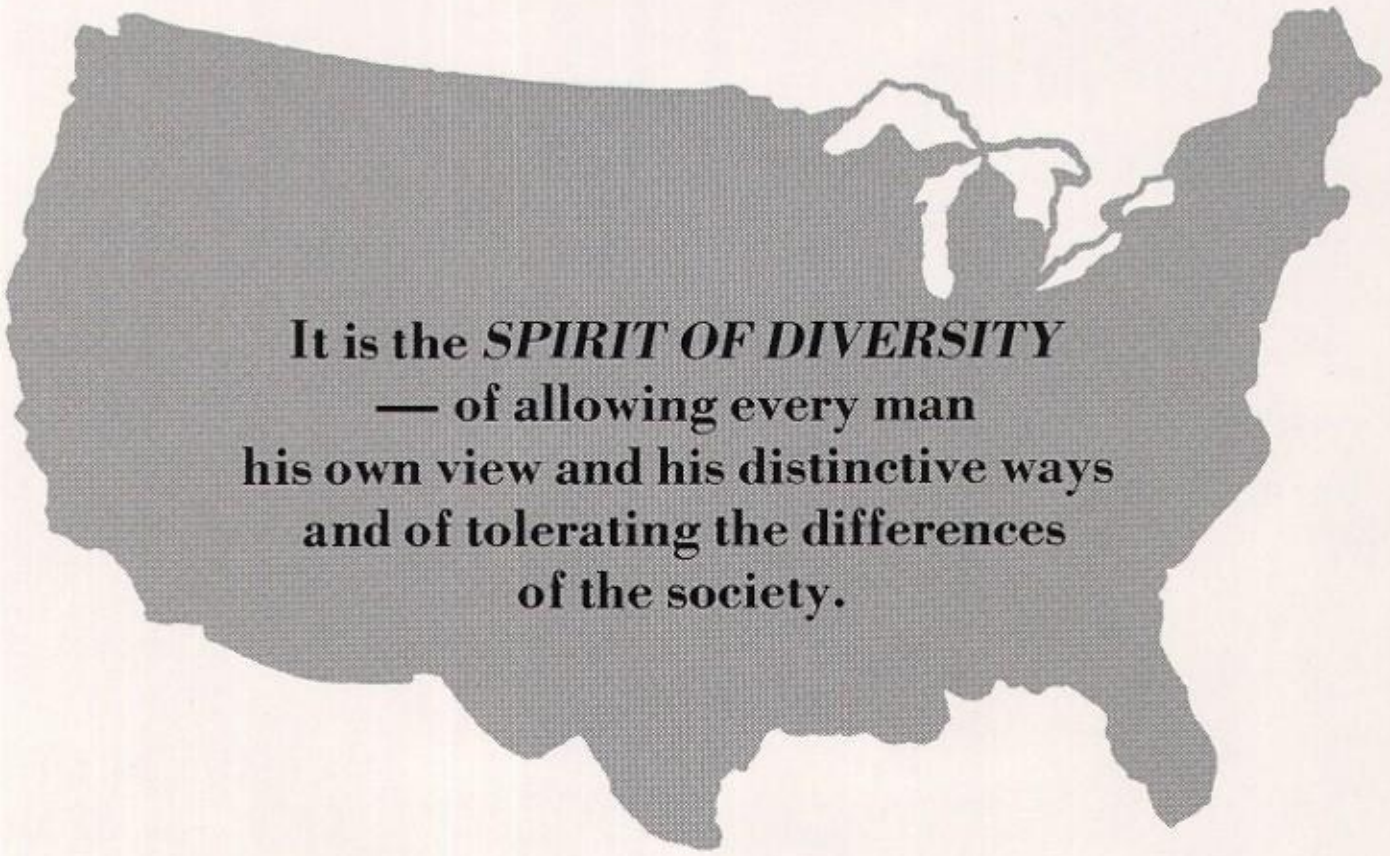




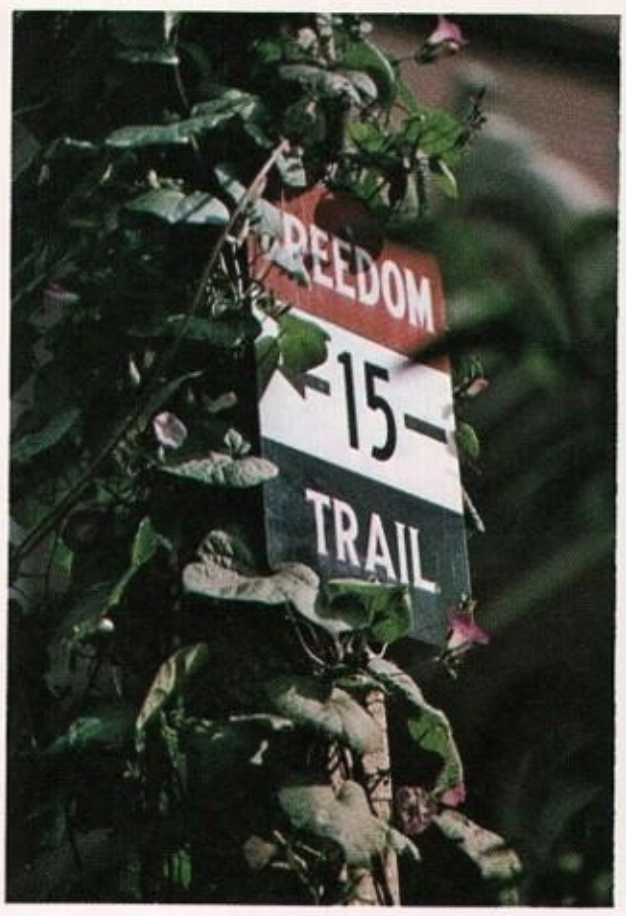


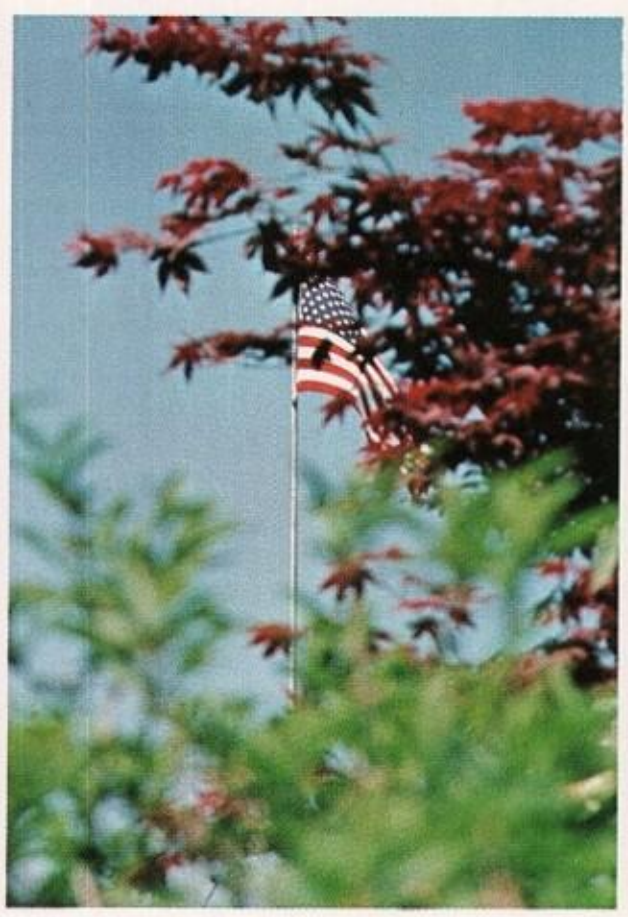
It is the *SPIRIT OF FRONTIER* — of not fearing to go where man has not reached.





It is the *SPIRIT OF DIVERSITY*
— of allowing every man
his own view and his distinctive ways
and of tolerating the differences
of the society.

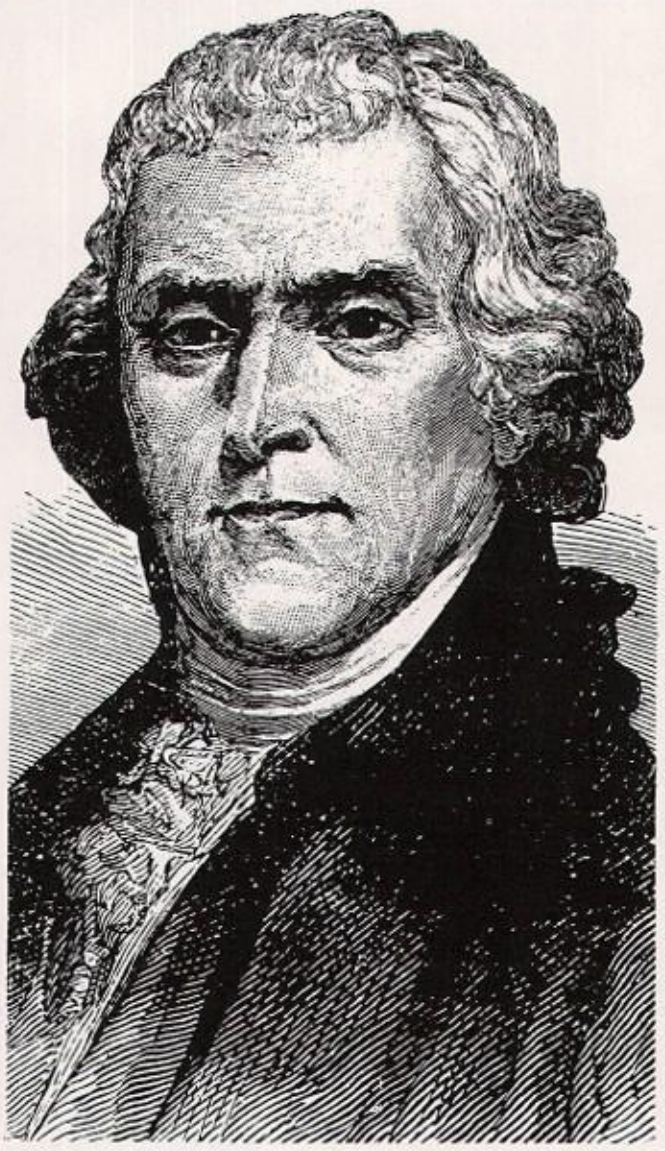




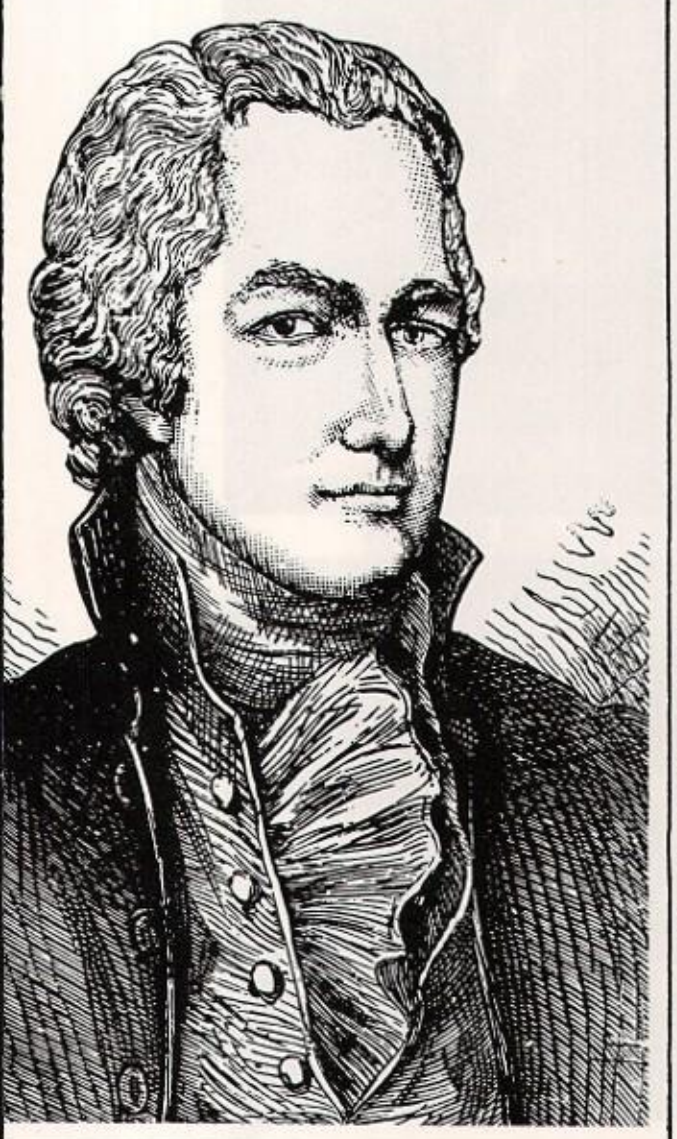
George Washington

John Adams

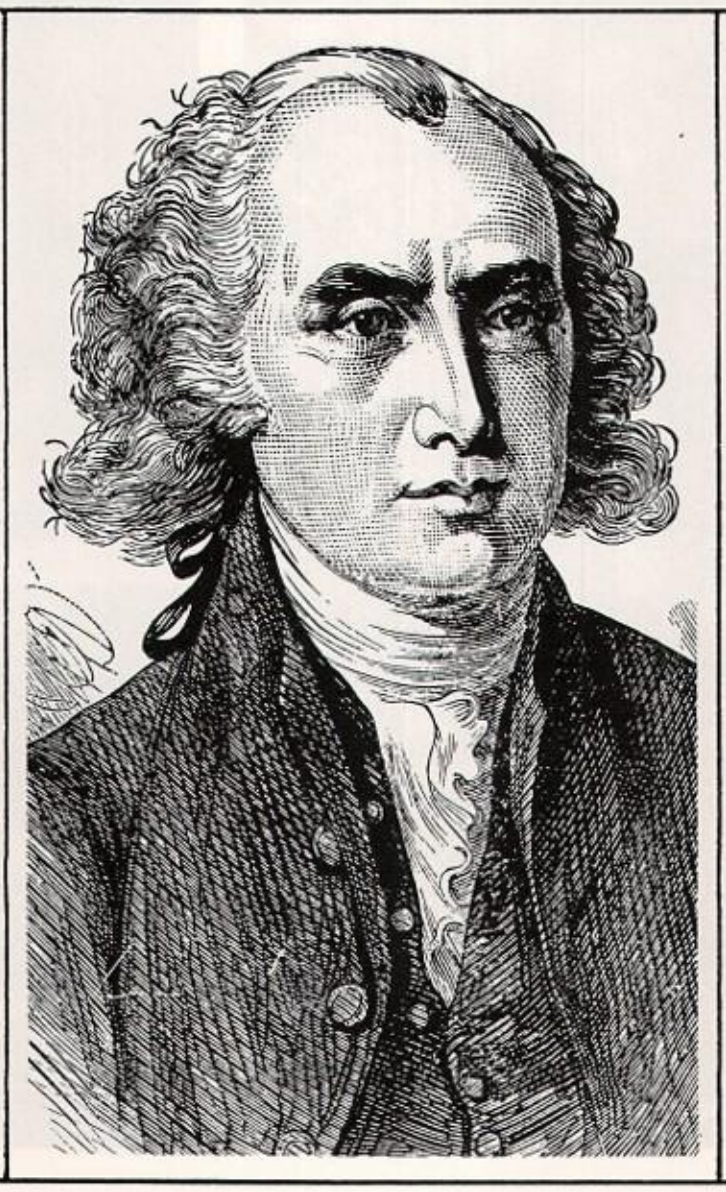
Thomas Jefferson



Benjamin Franklin



Alexander Hamilton



James Madison

John Hancock

It is the *SPIRIT OF INDIVIDUALISM*
— acknowledging a birthright of opportunity
and freedom drawn from the strength
of our fathers.

CLASS HISTORY

In September of 1972, 171 students entered Kaynor for the first time, nervous, excited, wide-eyed and full of wonder. We had passed into a strange new place. It wasn't just a high school, but a new and different experience, a vocational high school.

During our freshman year, there were 10 shops, each to be toured and inspected very carefully. This would be our home for some time. We were introduced to many new activities: clubs, assemblies, morning "break," student council, awards day, etc. These became a part of our new life at W.F. Kaynor Tech. With a spark of inspiration, we were off . . . getting involved . . . a good running start.

The second year, we officially became the "Class of '76" with the appointment of our class advisors, Ms. Adamson and Mr. Fillion. Our numbers were smaller, but we were now on our way to understanding our goal - the road to graduation. In our first class meeting, we decided on our class dues, to help pay for our yearbook and caps and gowns. We also planned some money-raising events: a car wash on May 25 and a Spring Dance on June 7. These activities brought us both fun and profit.

The third September found us a little changed, a little more independent. We were on our own; it was time to move - there was much to be done. We ordered and were fitted for our class rings, and it was a thrilling moment when they arrived! We also ordered Kaynor pennants and decals to sell, and soon the school blossomed with gold and black emblems. Meanwhile, a committee was busily working on plans for our Junior Prom, and that event was a successful highlight of our junior year.

Finally, our senior year arrived! With our advisors and many committees, we undertook our biggest projects of all, the production of our yearbook, our Senior Prom, and the class trip. The Advertising Committee enthusiastically sought and received substantial support from the community, the editors and photographers began gathering in the A.V. room, and groups clustered in the Library to discuss bands and trip itineraries.

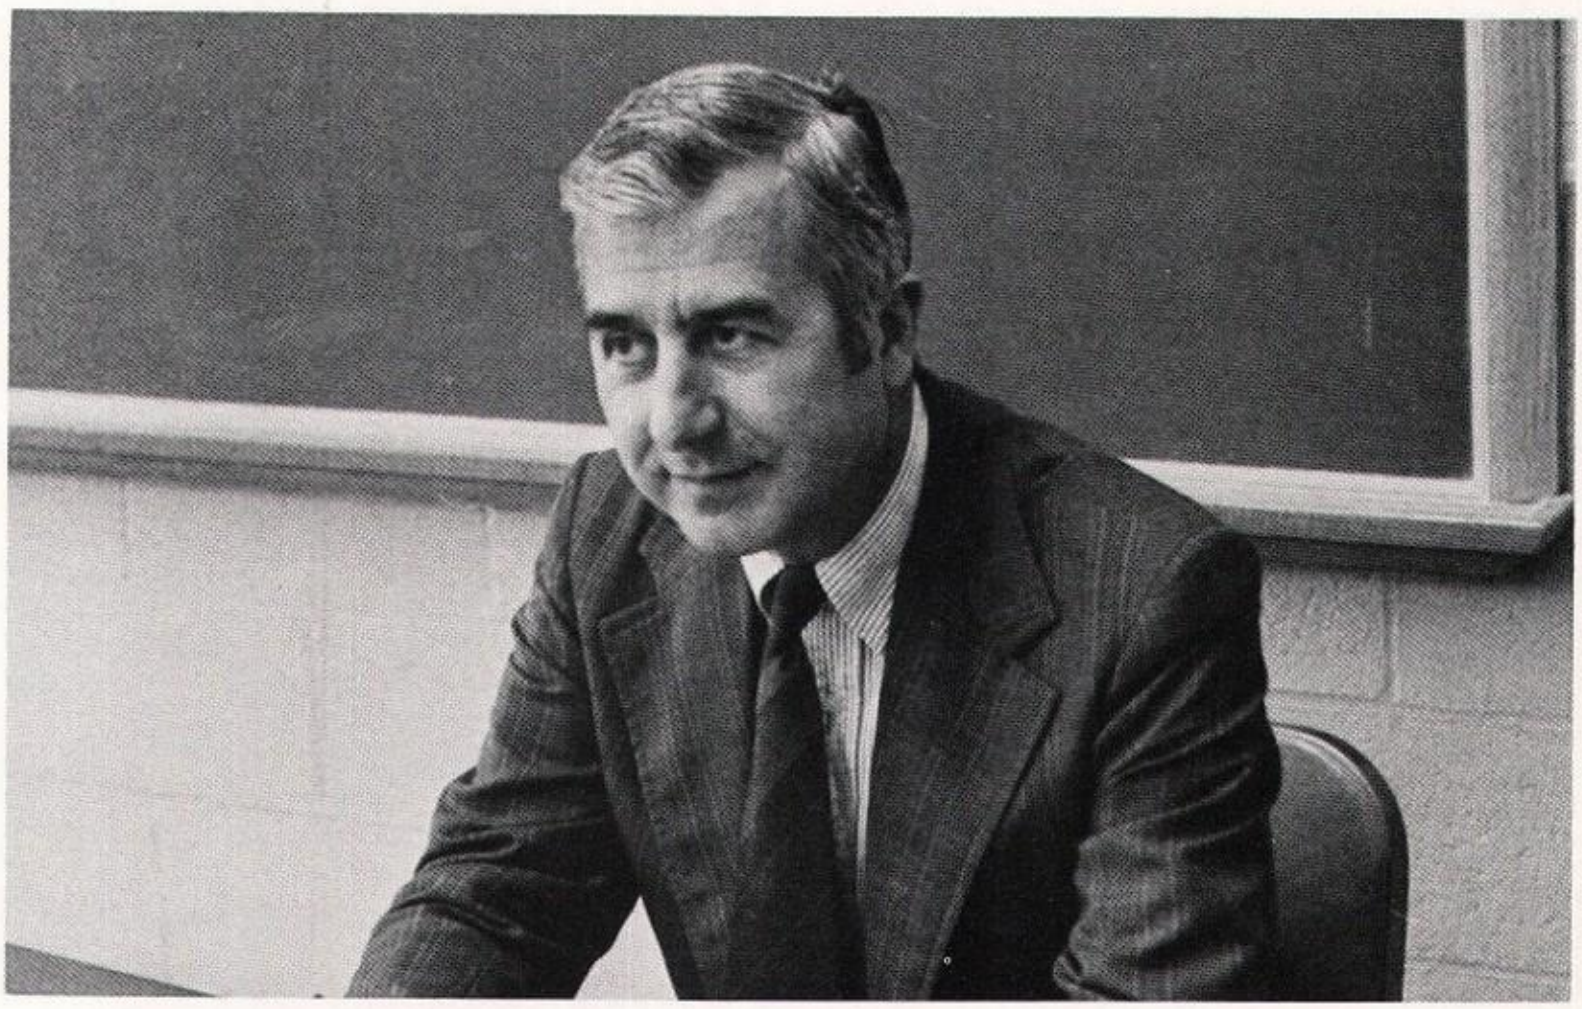
The year is closing fast, and with it, our time at Kaynor. With the inspiration of the freshman year, taking aim in the sophomore year, the excitement of the junior year, and the spirit of the senior year, the Class of '76, with its own "Spirit of '76," feels it has made its mark and found its special place in the hearts of all those associated with Warren F. Kaynor Technical School.

Mr. Jim White, once a Social Studies teacher at Kaynor, is one of the teachers to whom the 1976 Panther Yearbook is dedicated. He will always be an outstanding part of our memories of Kaynor. To most of us, he was a lot more than a teacher; he was a friend with whom we could openly talk. In his classroom there were few inhibitions and each student had an equal chance to share his own opinion and to express himself.

When we found out last September that he would be leaving to teach at Abbott Tech in Danbury, we were all disappointed.

We hope that he has many good memories of his last senior class at Kaynor Tech, the Class of '76.

'76 PANTHER DEDICATIONS



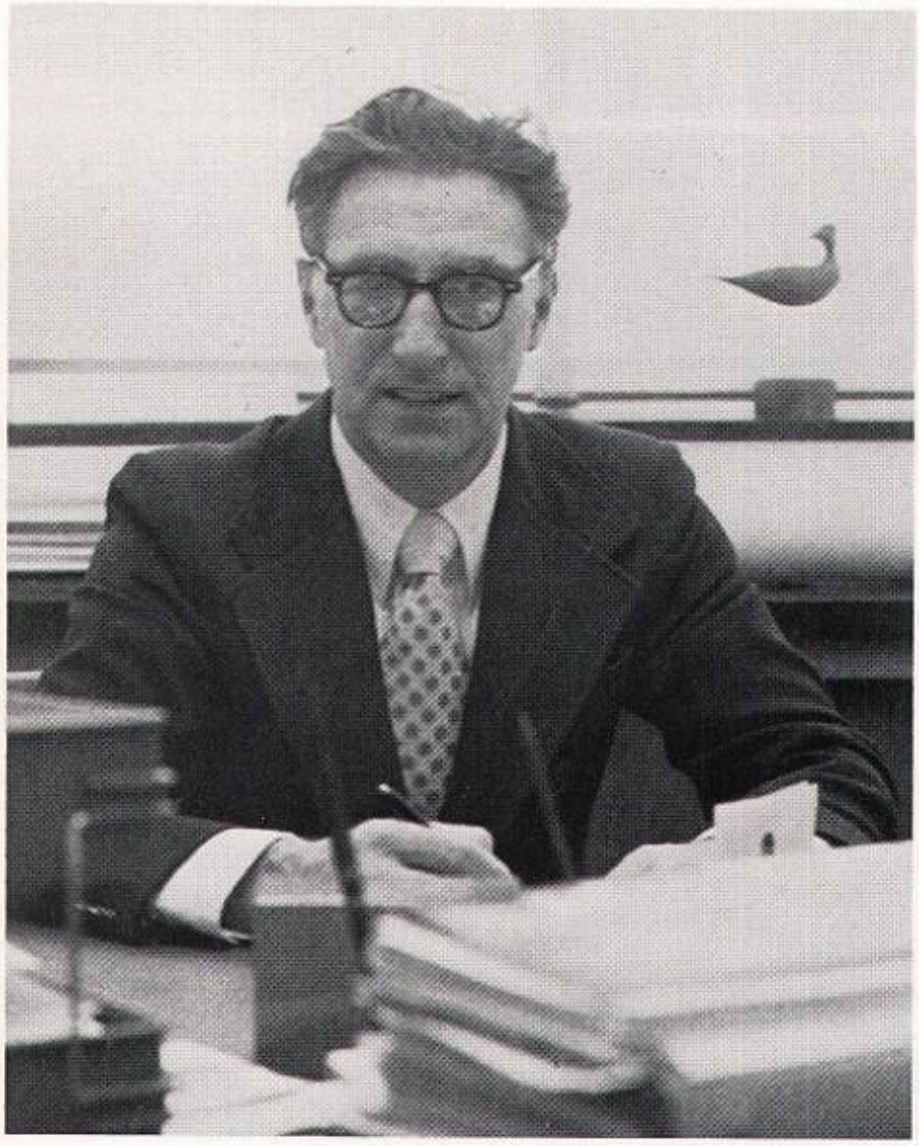
Mr. Rudolf Manacek, General Education Department Head and English teacher, is the other recipient of our Bicentennial Yearbook dedication. He has always been ready to be of service to our class, and he will be long-remembered as our teacher and our friend.

The Yearbook Staff particularly appreciated the many times he dismissed us so that we could work on this book. Thank you, Mr. Manacek.

'76 CLASS ADVISORS

The Class of '76 would never really have been a class without the efforts of Ms. Dorothy Adamson and Mr. Ray Fillion, our class advisors. We wish to thank them for their time, work, and caring attitude, as they saw us through to Graduation Day. In all our activities, from sophomore year on, they worked with officers, committees, and behind the scenes, to help us have as full a high school experience as possible. They were always ready to serve our class, and will be long remembered and talked about throughout our lives out in the world of business.

Thank you, Ms. Adamson and Mr. Fillion, for helping make our high school years fun, memorable, exciting, wholesome, and great!



JOHN L. ROSSI
Director

Greetings and congratulations to each of you, members of the Class of '76. One of the most pleasant aspects of my work as Kaynor's school director is the opportunity to say a word to the graduating class. Without belaboring the Bicentennial theme, I can remind you that your class is privileged to be graduating during such an historic year. You need no better reminder of your American heritage - its unforgettable message: ". . . endowed by their Creator with certain unalienable rights;" its unique mixture of individual responsibility and collective concern for the preservation of our neighbors' rights and freedom as well as our own; its defense of the dignity of the common man, of the skilled laborer, as well as of the owners of industry. You can be any one or all of these in your lifetime.

Whatever your choice, may you enjoy health, happiness, and good American sense along the way.

John L. Rossi

The Class of '76 leaves many memories at Kaynor. A fine group of young people, already winners, actively involved citizens, potentially good mechanics, and proven students.

When you receive your diploma and say "goodbye," it will mark the end of an era.

I feel it a privilege to be able to say "I saw these young people grow into adulthood." Later, that will change to "I knew them when" with much pride.

Good Luck!

John J. Mills

JOHN J. MILLS
Asst. Director

MR. DANIEL J. KEEFE
Guidance Counselor

Mr. Keefe, our guidance counselor during our freshman, sophomore and junior years, helped us solve our problems and learn our responsibilities in life by giving us a chance to talk our difficulties out, letting us think for ourselves as mature people. We now, as adults, wish to thank Mr. Keefe for his concern and his patience.

The Class of '76 gratefully acknowledges Mr. Kopsick's assistance during our senior year as we prepare to go out into the world.

Whether bound for college or job, we knew we could turn to him for help. We will remember him as always ready to serve us.

BLOOD DONORS DAY — 5-4-76

First, they lined you up . . .

took your sample . . .

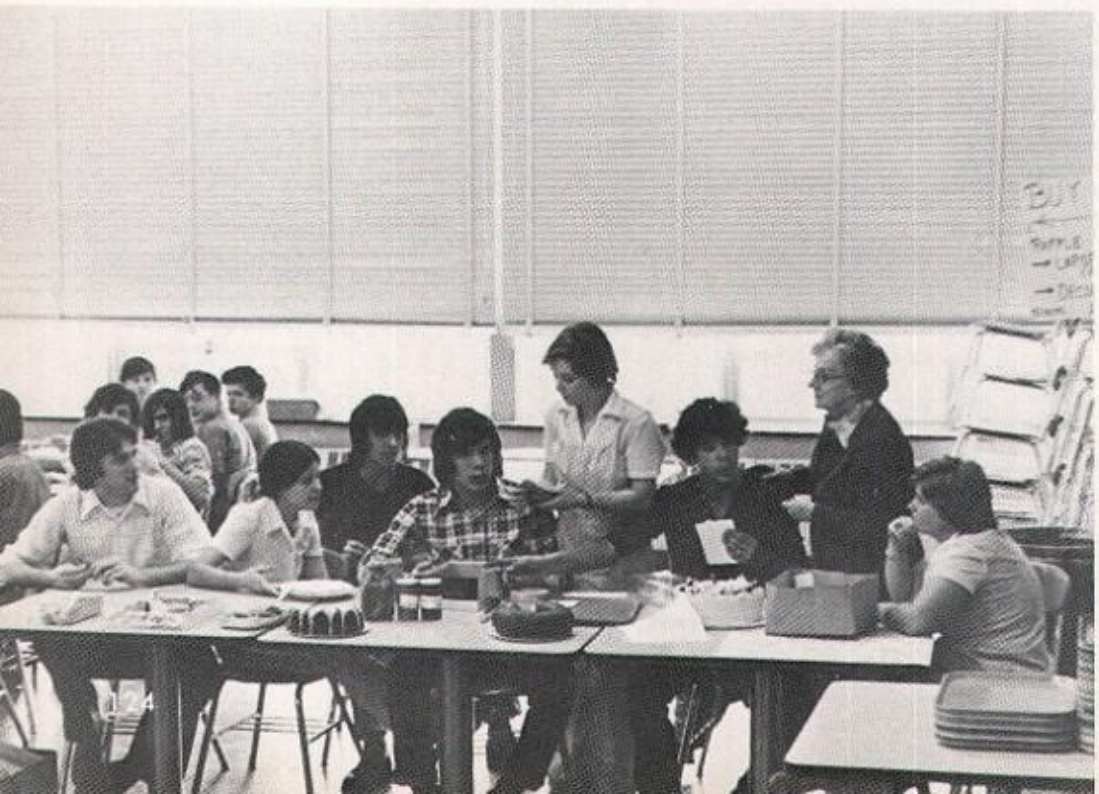
prepared you for the shock . . .

took your blood . . .

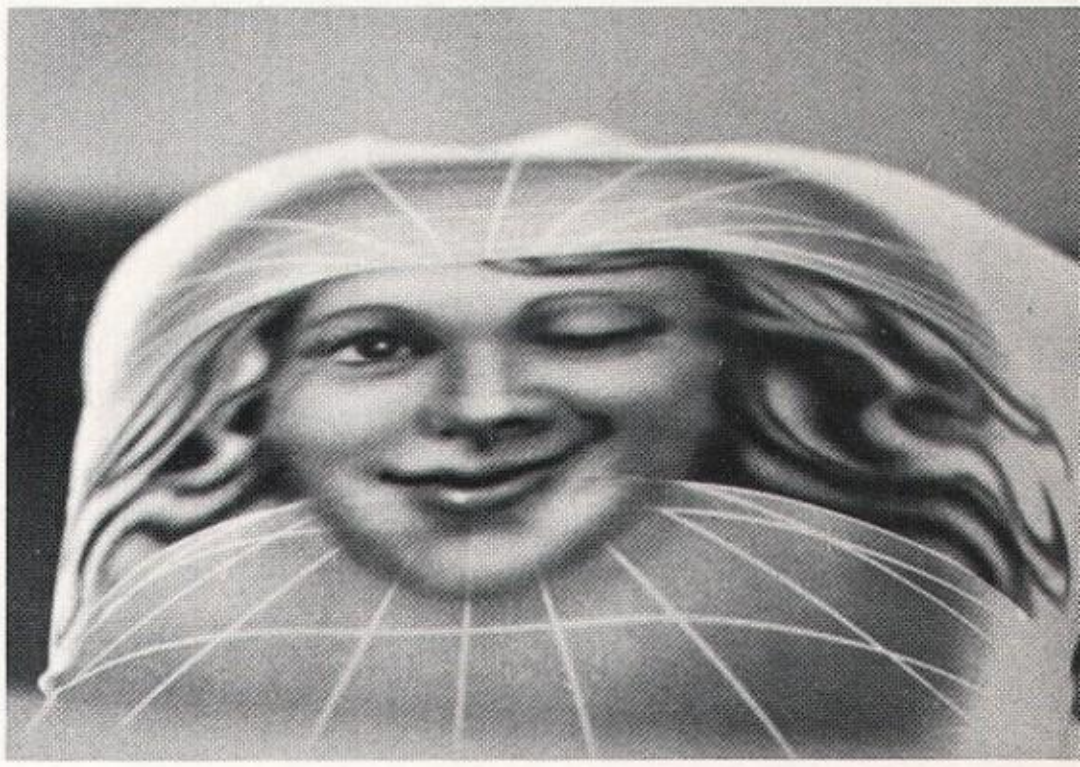
then let you out.

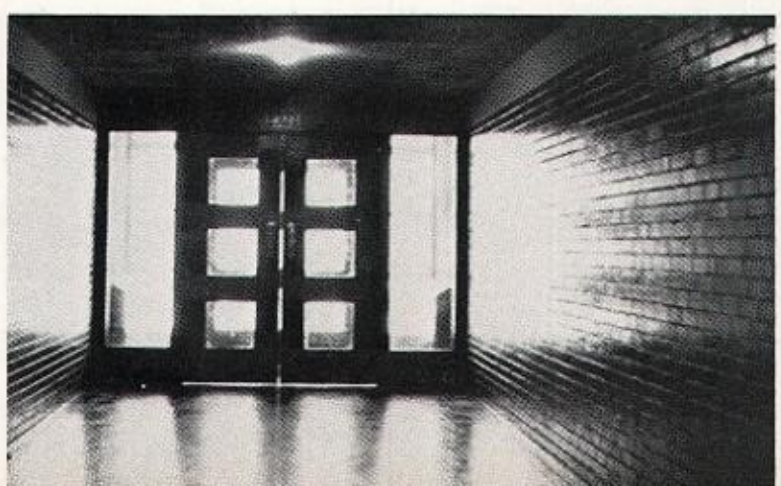
The Blood Donations at this school numbered 125 pints from our 149 seniors, more than any other year. Another achievement of the Class of Seventy-Six.

BAKE SALE



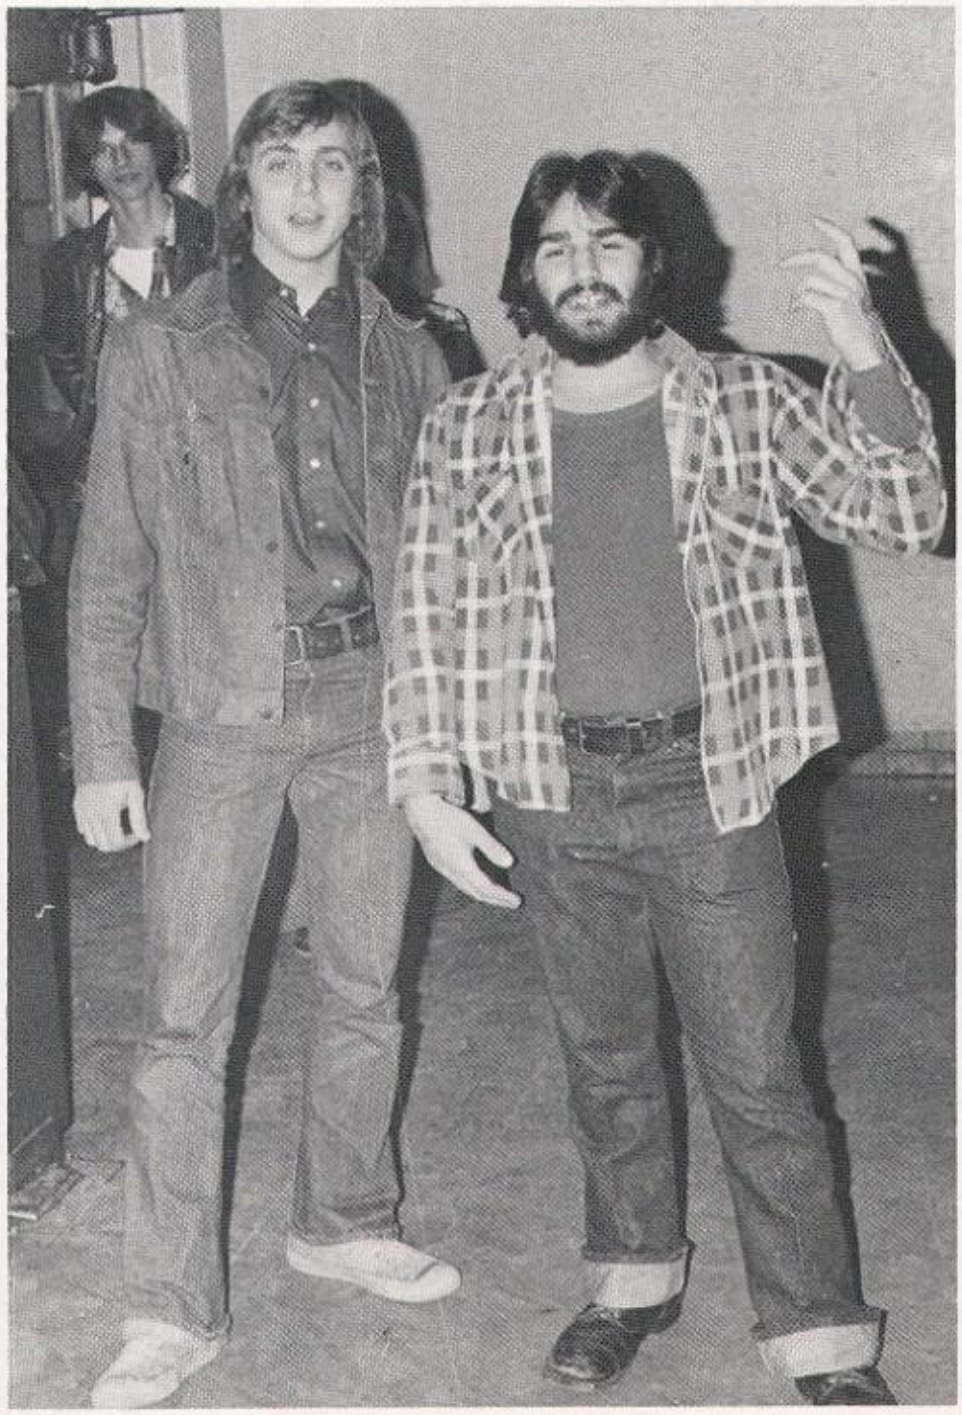
CASUALS

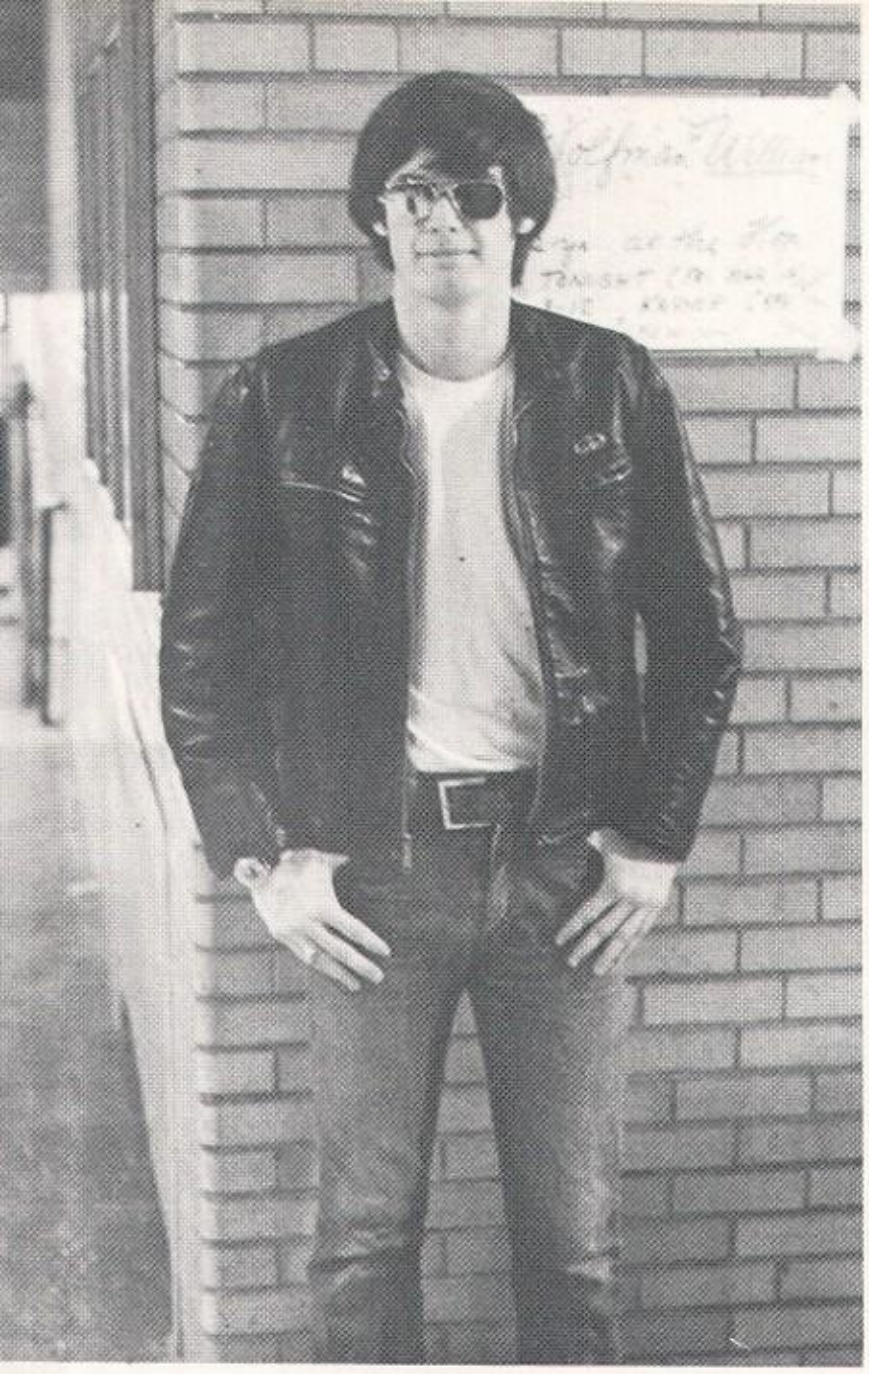




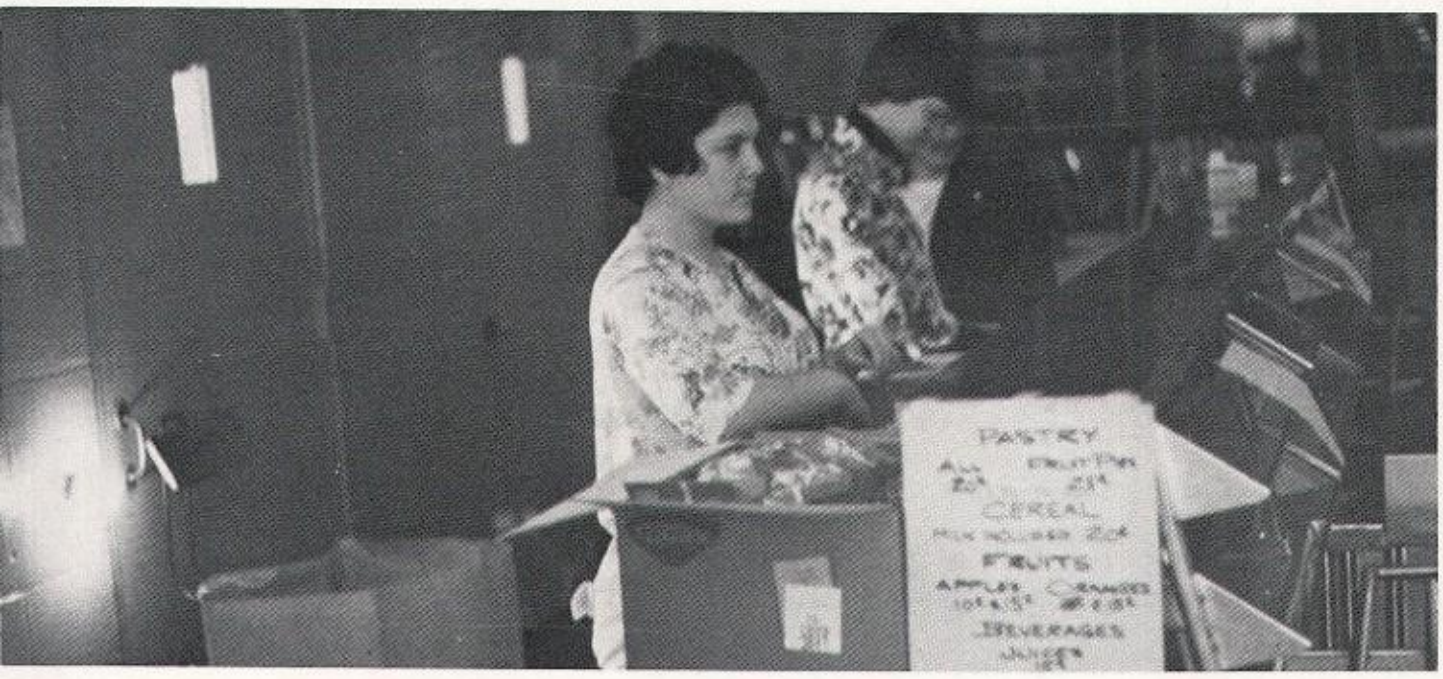
This page and its contents of casual pictures are the gift of the G. Fox Co. and its Photography Dept. in the Naugatuck Valley Mall here in Waterbury.

SOCK HOP





MARCH 14, 1976



The Sock Hop was sponsored by the Senior Class for Kaynor students and their guests, and held in the school cafeteria. Checkered tablecloths, candlelight, a WWCO disc jockey, plus students dressed in '50's styles set the mood, and much fun was had by all.

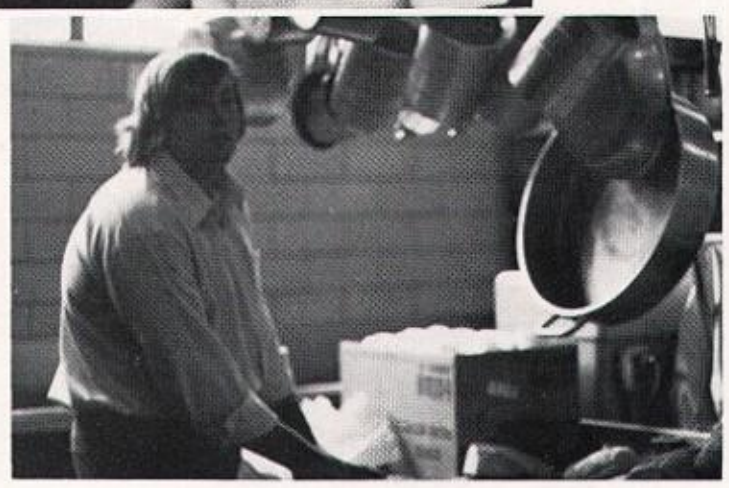
SENIOR CLASS TRIP



Paul, Cheryl and Mr. Fillion prepare the lunch for the trip. Our thanks.

Hershey Park and the surrounding area referred to as Pennsylvania Dutch Country was our choice for our Senior Class trip which took place on the second and third of June 1976.

Early on the morning of the third, 5 chaperones and the 76 students who participated got on the 2 busses provided us by New Britain Transportation. At around 11 we found a suitable rest area outside of Scranton and unloaded for our lunch, grinders and soda.

Then we were on our way again - but several wrong turns by our lead bus driver took us on a long, confused way to the Lancaster area. A stranded motorist found us as her aid as we pushed her car off the expressway and brought her home.

Finally, we visited Amish specialty shops, a wax museum and had a huge dinner at Plain & Fancy. At last we arrived at the Treadway Motor Inn . . .

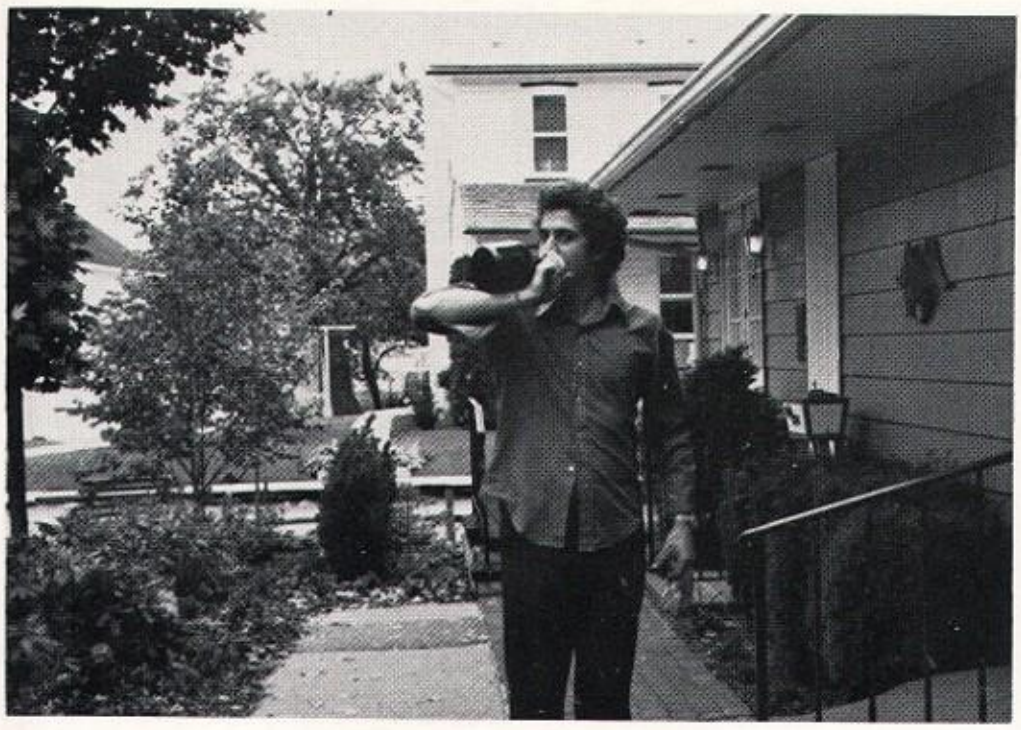
Heading toward Lancaster.

The bus drivers who brought us there. (Better late than never!)

Members of Electronics enjoying their lunch.

Delicious!

Scenic Dutch Country



Mark chug-a-lugs Apple brew.

The chaperones taking a break.

Mark and Paul walk around at our first stop.

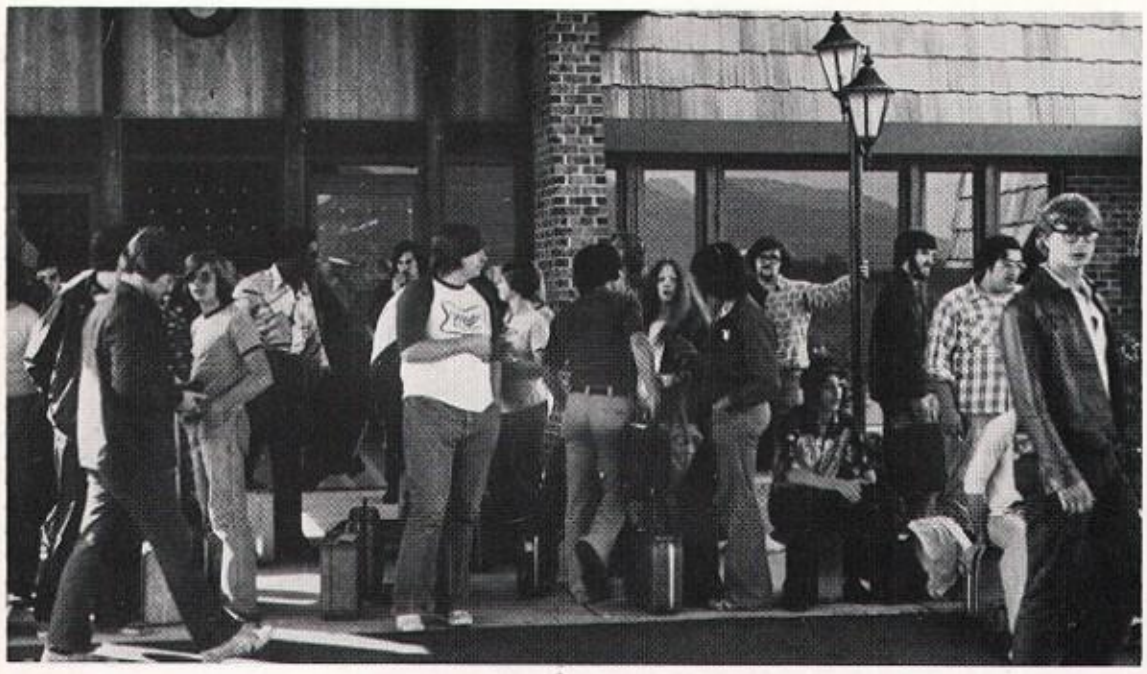
Anybody seen Dutch Country?

A display inside Lancaster Wax Museum.

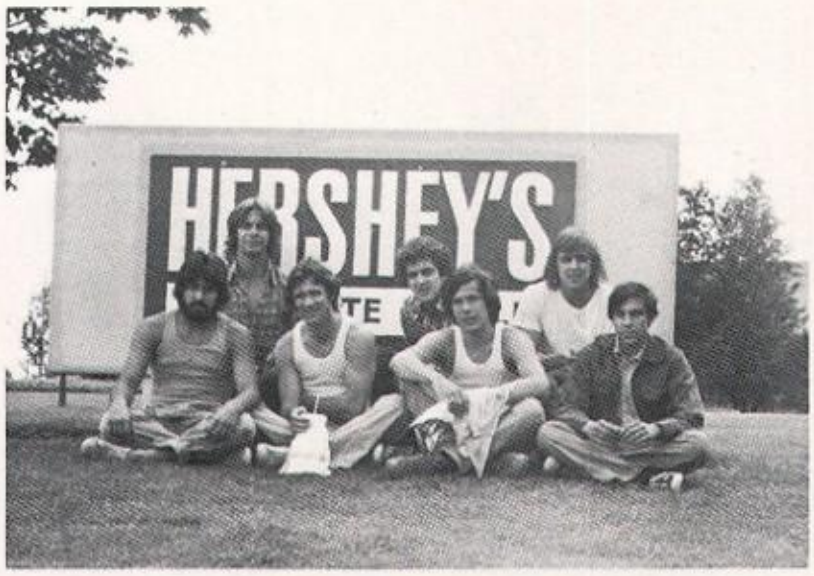
Inside Plain and Fancy in Lancaster.

Which way to the pool?

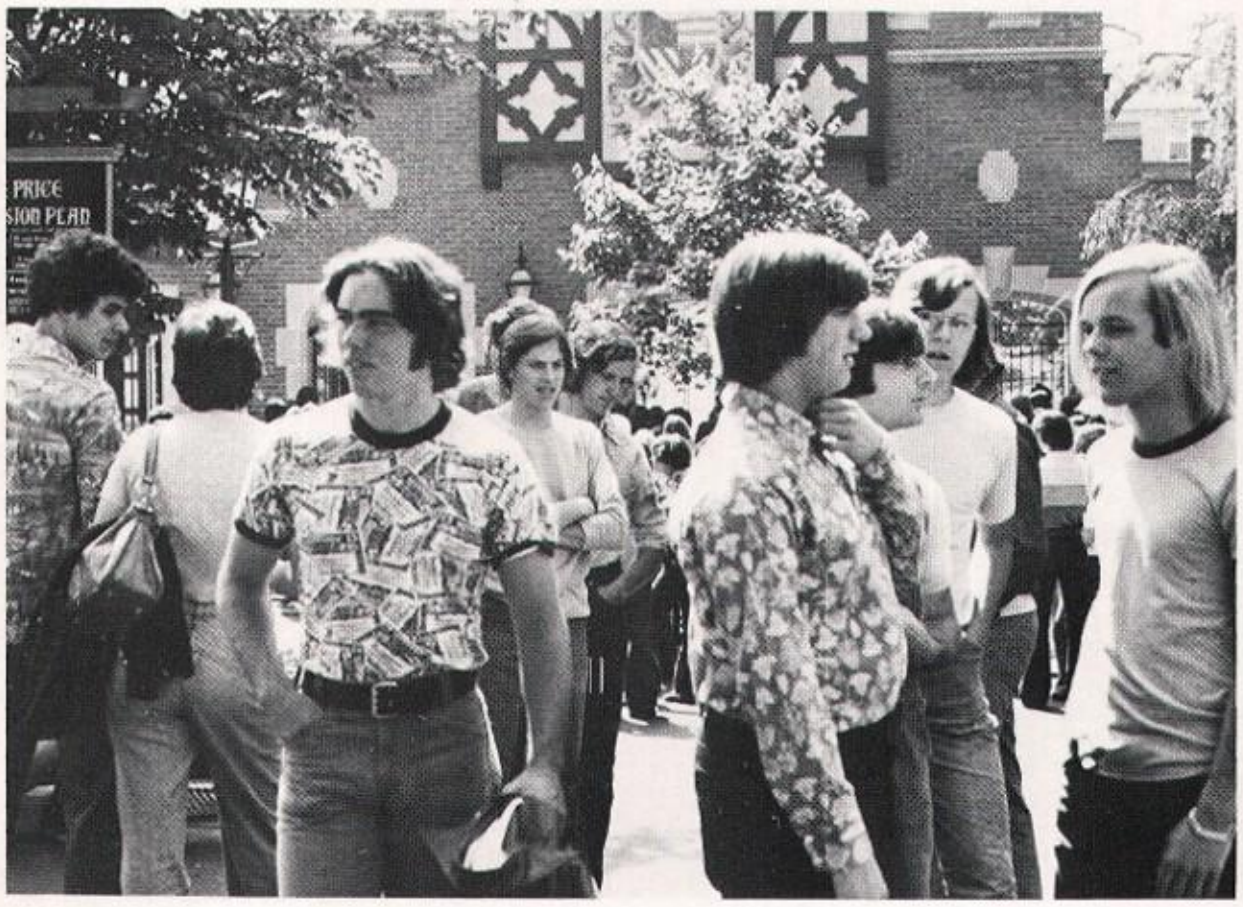
Cheryl quickly goes to sleep.



Seniors, outside the hotel, wait for the busses that will take them to Hershey Park. (We got lost going there too!)

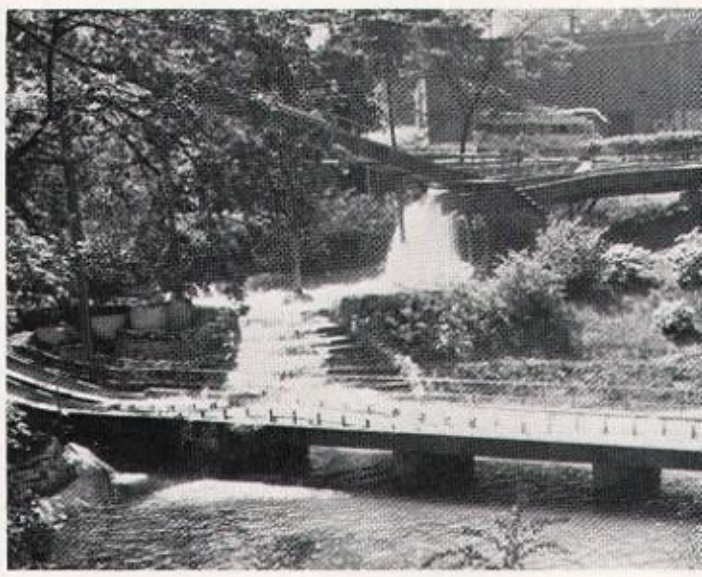


Machinists outside of the park.

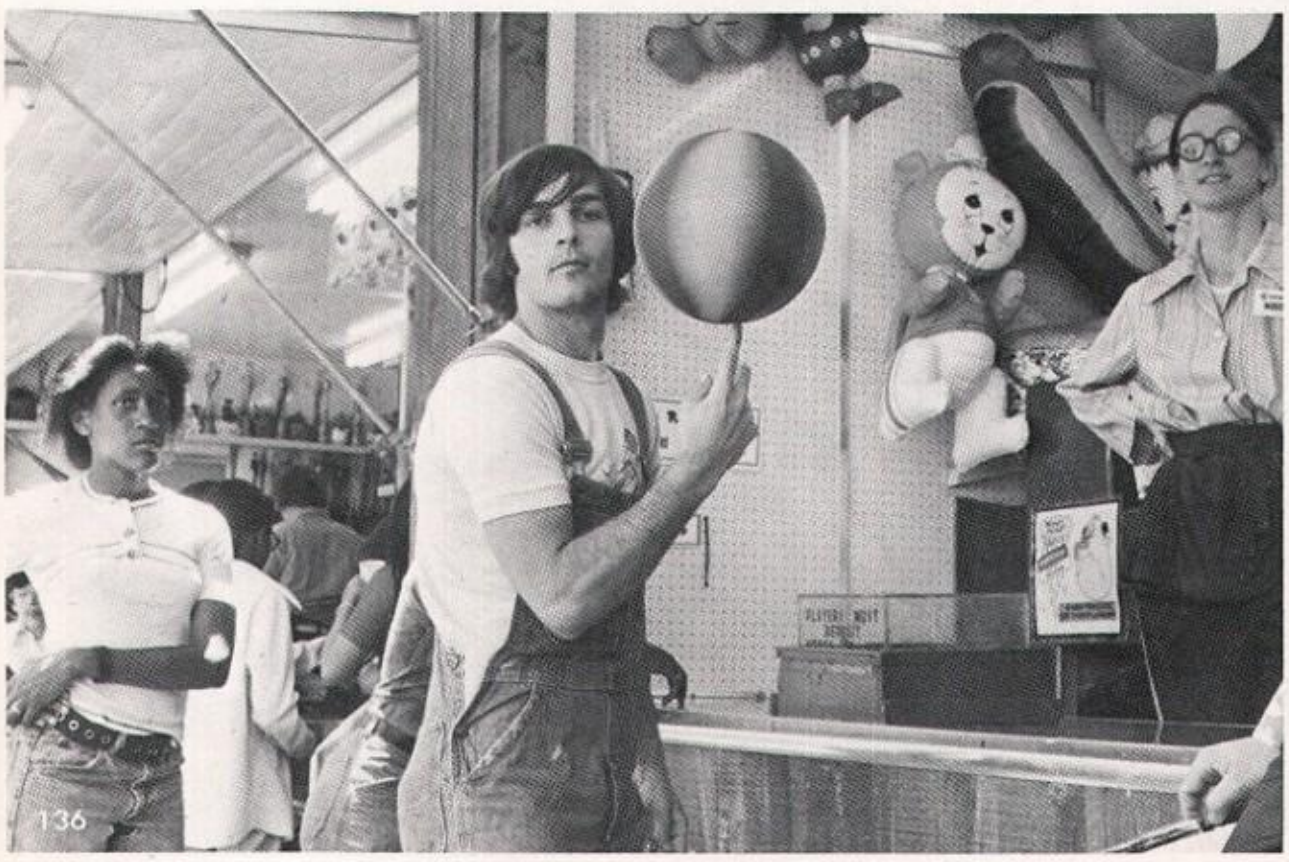


Students awaiting admission to the park.

A view from the Skyride.

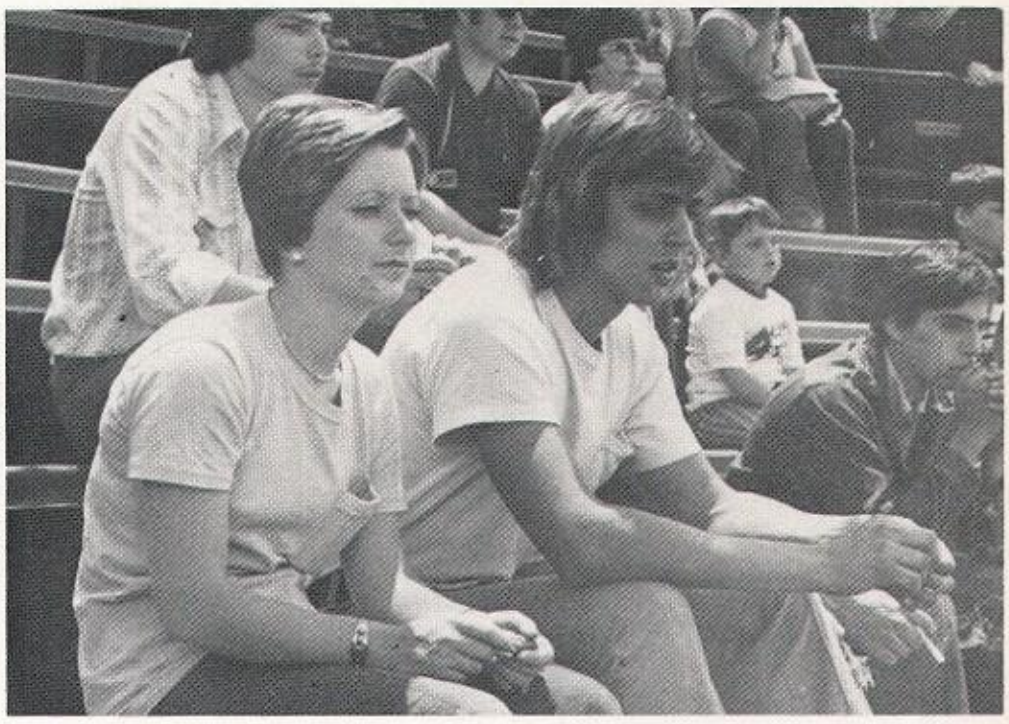


The flame ride at Hershey.

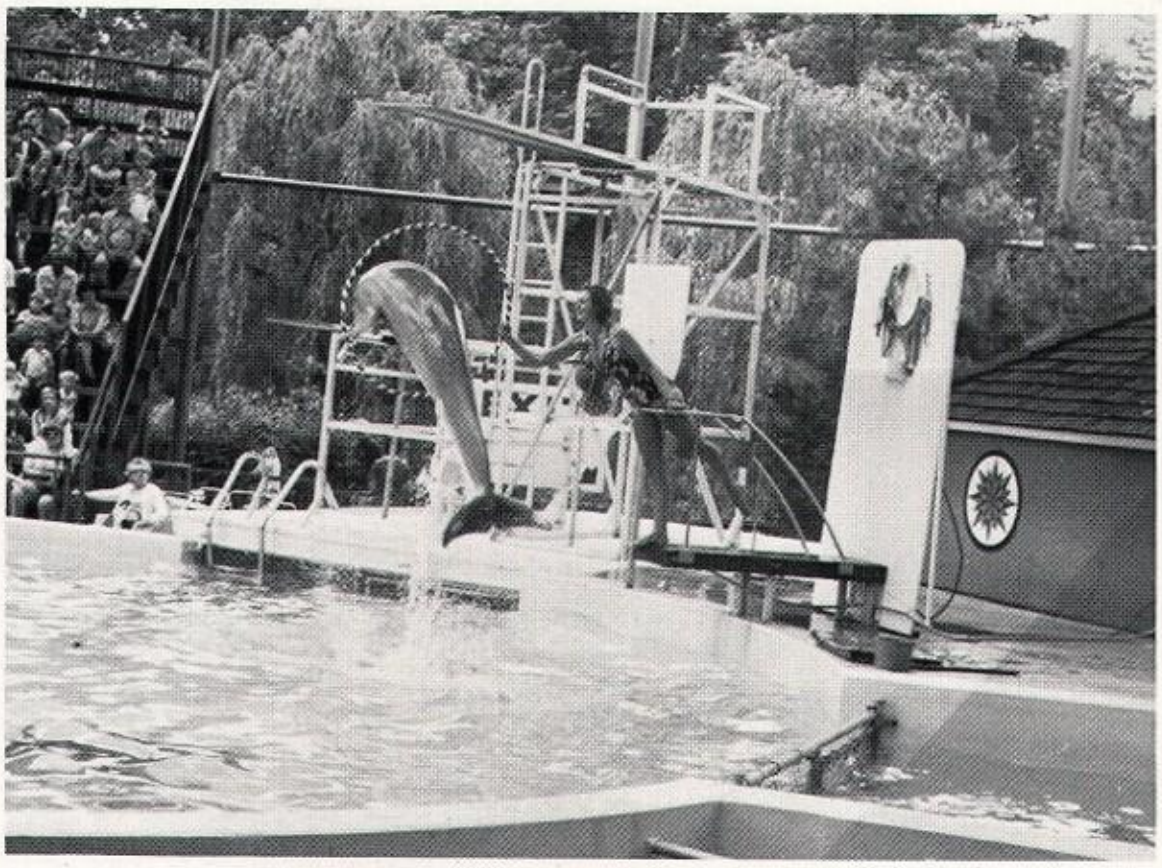


Do I win?

When does the show start?



Students as well as teachers enjoy the dolphin show put on at the outdoor aquarium at Hershey.



Nodding-out during the long ride home.

. . . and most everyone was happy to jump into the pool for a cool, refreshing dip.

The next day, after a memorable night, we got under way to Hershey Park. It was a sunny, beautiful day and at the end of it, everyone was glad to get on the bus at 4 o'clock and head back to Kaynor.

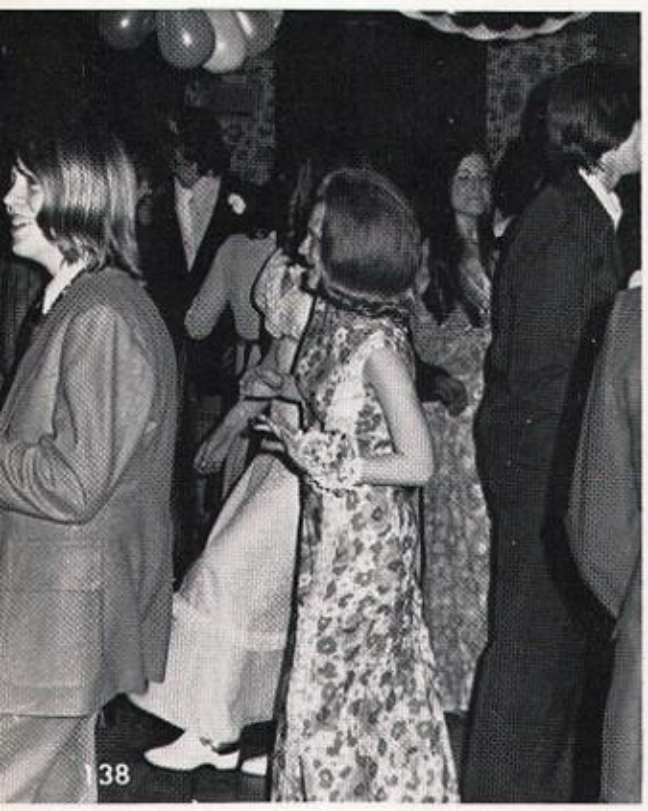
JUNIOR PROM

Juniors enjoying themselves.

Part-time M.C.

Some of the teachers and chaperones at our Junior Prom held at Le Cordon Bleu in Oakville on Friday, April 11, 1975.

A night of dancing.



APRIL 11, 1975

Juniors and dates.
